

IEEE Communication Society Vimal Jyothi Chapter Inauguration

Official inauguration IEEE Communication Society Vimal Jyothi Chapter conducted at 10/04/2015. Today, **IEEE Communications Society** (ComSoc) is a leading global community.

The **IEEE Communications Society** is community comprised of a diverse group of industry professionals with a common interest in advancing all communications technologies. To that end, the Society sponsors publications, conferences, educational programs, local activities, and technical committees that: Foster original work in all aspects of communications science, engineering, and technology. Encourage the development of applications that use signals to transfer voice, data, image, and/or video information between locations. Promote the theory and use of systems involving all types of terminals, computers, and information processors; all pertinent systems and operations that facilitate transfer; all transmission media; switched and unswitched networks; and network layouts, protocols, architectures, and implementations.

And strongly advance developments toward meeting new market demands in systems, products, and technologies such as personal communications services, multimedia communications systems, enterprise networks, and optical communications systems

This chapter inaugurated by Dr. Jitendranath Mungara, currently Working as Dean PG studies – R V College of Engineering, Bangalore. Dr. Mungara completed two Phds from Andra University

1. PhD in Computer Science system Engineering
2. PhD in Electronics

Dr. Mungara has **25years** of experience of academics, research and industry. Dr. Mungra worked in industries like CMC, ZEE –India, Northwest airlines – Minneapolis, Motorola-Texas. He Worked as **Principal** AMC Engineering College, Bangalore, BTLIT Engineering College, Bangalore, YDIT Engineering College, and Bangalore. He has published **75** papers in national, international conferences and International Journals.

Dr. Jitendranath Mungara officially inaugurated the IEEE Communication Society Vimal Jyothi Chapter, followed by a Talk on “Advancements of Signal processing and Industrial Applications of Internet of Things”. Our Chairman Rev.Fr.Geo Pulikal, Principal Dr. Benny Joseph, HOD Prof. Roshin T.V, Communication Society Counselor, Asst.Prof. Jubin Sebastian E and student chair Mr. Sajeer deliver speech during inaugural ceremony.

In the afternoon session we have organized a Guest Lecture "Mathematical Modeling" by Prof. Ragavendra Prasad of RV College of Engineering, Bangalore.

Report prepared by

Jayesh George M

Counselor - IEEE COMSOC
