

A brief history of the college

Vimal Jyothi Engineering College (VJEC) is an educational project of the Archdiocese of Thalassery established in the year 2002 and is managed by Meshar Diocesan Educational Trust. The college is approved by AICTE & affiliated to APJ Abdul Kalam Technological University (KTU). VJEC is a self financing catholic minority institution aiming at generating a fervor for Engineering & Technology in students. Here, we inspire, nurture & foster them to realize their career potential in the field of Engineering & Technology.

With profound insight into the resource requirements of the higher education system, VJEC has proudly set up a world class infrastructure complemented with intellectual capital in the form of competent faculty. Many of the faculties are way beyond the regulatory requirements aiming for learning beyond the syllabus to address the requirements of the industry. These material facilities along with value addition programs & student support systems are the integral facets of empowerment at VJEC Digital library, industry supported project labs, language lab & student chapters of professional bodies such as IEEE, ISOI, IETE, SAE, CSI offer an extensive range of resources, opportunities & services to the outcome based teaching learning process. Effective implementation of quality control processes ensures Engineering graduates with the expected level of knowledge, skill & attitude.

About the department

The department of Electronics & Instrumentation Engineering was established in the year 2005 under Kannur University with a B.Tech programme in Applied Electronics & Instrumentation Engineering, in tune with the steep increase in demand for innovative & sophisticated equipment & instruments at the global level. The M.Tech program in Control & Instrumentation was started in the year 2013. The Department has two Professors, two Associate Professors & fifteen Assistant Professors supported by three members of the non-teaching staff. The department has an admirable staff student ratio of 1:15. It adopts ISO 9001:2015 Quality procedures & standards to improve the overall quality of the technical education.

Vision of the department

The department strives to enrich professional of high competency in the area of instrumentation engineering & mould them to adopt the crux of the matter in the field of automation

Mission of the department

To prepare the students to envisage beyond the hypothetical thinking & belong to a new era of acquisition & application of instrumentation technology to meet the requirement of the changing world.

Proudly Presents

CELEBRATION OF E & I

6th MARCH 2018, 9.30 AM
Msgr. MATHEW. M. CHALIL AUDITORIUM

INAUGURATION

TIME : 9.30 AM
VENUE : AUDITORIUM

PROJECT EXPO & PRESENTATION

TIME : 9.30 AM-11 AM
VENUE : AUDITORIUM

ROBO SOCCER

TIME : 11 AM-12 AM
VENUE : AUDITORIUM

PAPER PRESENTATION

TIME : 11 AM-1 PM
VENUE : RESEARCH LAB

ROBO RACE

TIME : 12 PM-1 PM
VENUE : AUDITORIUM

INSTRUS 2K18

LINE FOLLOWER

TIME : 1.30 PM-2.30 PM
VENUE : AUDITORIUM

TECHNICAL QUIZ

TIME : 2.30 PM-3.30 PM
VENUE : CONFERENCE HALL (AUDITORIUM)

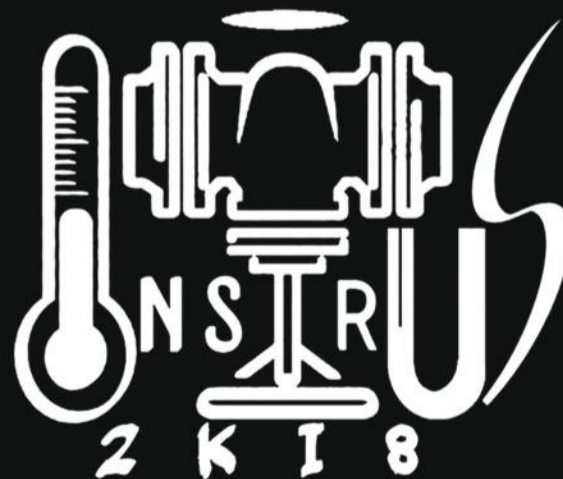

CLOSING CEREMONY

TIME : 3.45 PM
VENUE : AUDITORIUM

Instrus 2K18 is the science and technology festival of Electronics & Instrumentation Engineering Department in Vimal Jyothi Engineering College, Chemperi, Kannur. It also refers to the independent body of students who organize this event along with many other social initiatives and outreach programs. Instrus is known for hosting a variety of events that include competitions, exhibitions, lectures as well as workshops. The aim is to provide a platform for the student community to develop and showcase their technical progress. The activities culminate in a one day festival of events in the campus of Vimal Jyothi Engineering College, Kannur which attracts people from all over the state, including students, academia, corporates and the general public.
