FROM HOD DESK

Warm greetings.....

I wish all my colleagues and students a great year ahead.

I am happy to introduce first issue of our news letter of the year 2019, This issue contains notable achievements of faculty members and students and snapshots of various professional body activities. This news letter is a proof that we are continuing to built on our success this year also.

Our news letter ELECTRICAL GNOSYS is a platform for students to bring out their creativity and I hope that this will encourage many more students to use it as a platform for exhibiting their talent.

I congratulate all my colleagues and students for their contribution towards the progress of the department.

Ms. LALY JAMES
