From HOD DESK

Greetings from HOD

One more issue of ELECTRICAL GNOSYS is ready for launch and this would be a snapshot of the various activities and advancements of EEE department in the last two months.

I appreciate the efforts of staff members and students for making the NAAC visit a grand success. During last two months various professional body activities were conducted successfully by Electrical & Electronics Engineering department. The team work of students and staff members was an encouraging factor, for successful organization of these activities which we want to continue in coming months also

I also congratulate all the students of S2 EEE for their outstanding performance in the previous semester university examination.
