Criterion: 3.4.3

Vimal Jyothi is having the custom of conducting a community oriented programme right from the year 2007, named CHARITY PILGRIM. The ultimate aim behind the event is to inculcate sharing mind among upcoming engineers towards the socially, mentally & physically challenged people lives around our society. This programme is conducting every year in the month of December, as it is the month of pilgrimages to the Holy places to all people in Kerala belongs to various religions. Every year we used to visit the following places along with our first year B.Tech students accompanied by their Class tutors, HODs, Teachers representatives & Management representatives with rice and required grocery items for their daily food. Also we extend our one day physical service to the place where we visit.

This year 2020, the charity pilgrim visit has been conducted on 15th February 2020. The 409 students belong to various first year batches were participated in the visit with their class tutors and management representatives. The students were fully enjoyed and satisfied with charity visit. They got a different vision regarding the need of empathetic living in the society.

Title: Report on Anti-Ragging Awareness Programme and Legal Session at Vimal Jyothi Engineering College

Date: July 20, 2019

Introduction: On July 20, 2019, the National Service Scheme (NSS) students of Vimal Jyothi Engineering College organized an Anti-Ragging Awareness Programme in collaboration with Advocate Manoj, who conducted a specialized legal session on ragging prevention. The event aimed to create awareness about the detrimental effects of ragging and educate students on the legal consequences associated with such activities.

Conclusion: The Anti-Ragging Awareness Programme and Legal Session conducted on July 20, 2019, at Vimal Jyothi Engineering College proved to be a significant step towards creating a ragging-free campus. The collaboration between NSS students and Advocate Manoj ensured a comprehensive approach, combining awareness building and legal education. The active participation of students and the commitment expressed during the pledge ceremony demonstrated the success of the initiative in fostering a safer and more inclusive learning environment.

Title: Report on International Yoga Day Celebration at Vimal Jyothi Engineering College

Date: June 21, 2019

Introduction: On June 21, 2020, the National Service Scheme (NSS) students, under the supervision of Physical Education Coach Jancy Joseph and NSS Programme Officer Vasudevan, organized a grand celebration of International Yoga Day on the Vimal Jyothi Engineering College campus. The event aimed to promote physical and mental well-being through the practice of yoga and raise awareness about its numerous health benefits.

Conclusion: The International Yoga Day celebration at Vimal Jyothi Engineering College, organized by NSS students under the supervision of Physical Education Coach Jancy Joseph and NSS Programme Officer Vasudevan, was a resounding success. The event successfully brought together the college community to promote physical and mental well-being through the practice of yoga. The diverse activities, informative sessions, and cultural performances created a holistic experience, inspiring participants to embrace yoga as a part of their daily lives. The event not only celebrated the ancient tradition of yoga but also reinforced its relevance in modern-day living

Title: Report on River Cleaning Drive by NSS Students in Kottiyoor

Date: September 22, 2019

Introduction: On March 22, 2020, the National Service Scheme (NSS) students, under the coordination of Jancy Joseph, the Physical Education Coach, and NSS Programme Officer Vasudevan, organized a commendable river cleaning drive in Kottiyoor. The event was part of the college's commitment to environmental conservation and community service.

Conclusion: The River Cleaning Drive organized by NSS students in Kottiyoor, coordinated by Jancy Joseph and NSS Programme Officer Vasudevan, exemplified the commitment of the college community to environmental stewardship and community service. The successful collaboration between NSS volunteers, college authorities, and the local community not only contributed to the immediate improvement of the river's condition but also fostered a sense of environmental consciousness among participants. The event served as a testament to the positive impact that collective efforts can have on preserving and protecting our natural resources.

NAAC Cycle 2

Criterion: 3.4.3

Date: 4th OCTOBER 2019

Description: A session on using 'Using E-mail for networking in English' titled 'Meet and greet 2K19' was conducted by IEEE IAS SB VJEC on 4th October 2019 at Vimal Jyothi Engineering College, Chemperi Kannur. Electrical students of VJEC. The session started by 10:00 am and it included informative topics on how to write a professional e-mail without mistakes. The students were made to design e-mails on their own and send it. This was reviewed by the resource person and corrected if any errors found. The workshop was very informative for the students and will help them in their professional career. The session concluded by 12:00pm.

The IEEE SB VJEC conducted a Resume Writing Workshop on 3 rd June 2020 as a part of quarantine activities.

PRE SESSIONAL INITIATIVES

The volunteers under the guidance of Mrs.Laly James organized the program and obtained permission from Branch Councilor.

SESSION

The workshop was conducted online during the quarantine period which was a Student to Professional initiative. The webinar began by 3pm and the speaker for the event was Mr. Shone Jose, Industry Relations Chair, IEEE Malabar Subsection. The session was very interactive and he explained about the importance of resume writing and how to prepare the same. The session concluded by 4:45 pm with a whole lot of positive response after the Q&A section. The program was attended by about 50 participants. The session was well cooperated by the participants.

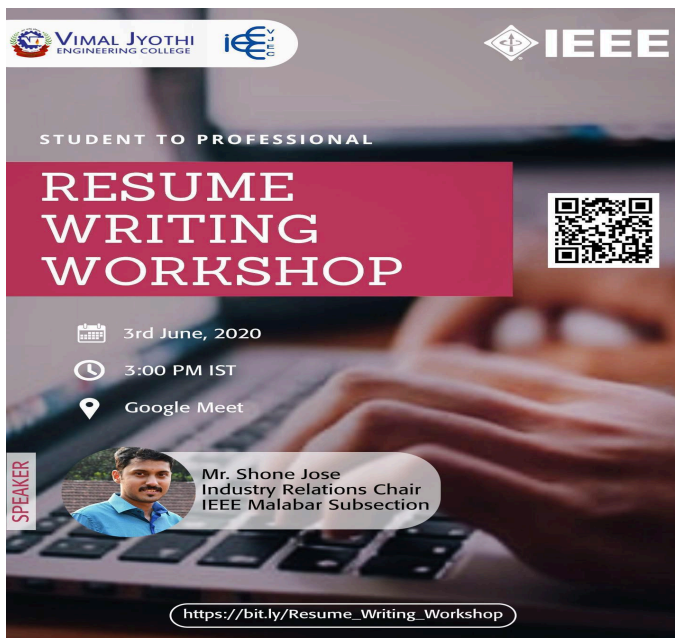

CONCLUSION

The program was conducted successfully and the participants were enlightened about resume writing and its importance.
