As the Associate Professor in the Department of Mechanical Engineering, it gives me great pleasure to write this recommendation letter for **Mr. SREENADH G V**. I have known him for the past three years. I have been his course mentor for the subjects' **Mechatronics, Metrology and Instrumentation and Business Economics**' and as such have known him well. During his course of study in this Institution, I had the Opportunity to observe and appreciate his academic caliber, as well as the versatility of his personality. I would rank him among the top 5% of the students I have taught in my experience of 15 years.

**Mr. SREENADH G V** has distinguished himself as one of the best students in the class. He was active and diligent class participant and brings together an Engineer's analytical approach, a keen grasp of basic facts coupled with mathematical knowledge, which he applies efficiently to problem solving. He has always exhibited fecundity of mind. He is an ardent learner and likes to go beyond the theoretical purview, to practical applications of his subjects and his perseverance enabled him to achieve his goals in the laboratory sessions and industrial visits.

He has involved himself in numerous organizations both in the campus and outside. As a believer in social justice he has been actively engaged in community activities. He has shown tremendous energy and boundless enthusiasm to participate, plan and organize various intra and inter collegiate events. In a nutshell, **Mr. SREENADH G V** is a multifaceted person with a zeal for academic, cultural and extra-curricular activities. I am confident that your esteemed university will be an ideal place for him to improve upon his existing skills through pursuing a Masters Program. I strongly recommend him for admission to the graduate program and I ensure he will serve as an asset during the course of study.

**Appendix A:**

In relation to your programme at the University of Sunderland, I wanted to take this opportunity to remind you of some extremely important information about your student visa. Please note that links and information were correct as of June 2021. For the most up-to-date visa information, please check the Home Office website

If you are studying a degree level (Level 6) or below there are limits on how long you can study in the UK for.

Current students needing to re-sit part of their programme are subject to the limits outlined below:

- two years for programmes below degree level (excluding time spent on a Child Student visa);
- five years for undergraduate degree programmes.

Your studies in the UK should also represent academic progress – for example, upon completion of a masters degree (Level 7) you are expected to progress to an Level 8 programme.

If you have previously studied in the UK at any time at the same level or at a higher level, the university will contact you for further information. If you did not indicate your previous study in the UK on your Immigration History Form you should contact the Immigration Compliance team immediately on immigrationcompliance@sunderland.ac.uk

Please note if your programme requires an ATAS certificate you will need to include this in your Student Route visa application.

**Acceptable financial evidence:**

There are several different ways of showing the financial evidence required in support of your application. It is crucial that you check that your financial evidence

meets the UK Visas and Immigration requirements outlined at <https://www.ukcisa.org.uk/Information--Advice/Visas-and-Immigration/Student-route-eligibility-and-requirements>

Ensure that your funds are held, in an active account for 28 consecutive days before making your application. The UKVI often contacts the financial institution to ensure the funds are genuinely held and can be verified.

Check that your bank statements are from one of the UKVI-approved financial institutions and that you have all the necessary documents to meet the UKVI requirements

Your bank statement must not be older than 30 days at the date of your visa application.

### **Funding required:**

You will need to show the outstanding balance for tuition fees that is shown on your Confirmation of Acceptance for Studies (CAS). We strongly recommend that you pay your tuition fees in full before the CAS is produced, to ensure your CAS statement is as accurate as possible.

In addition to tuition fees the UKVI also require students to show evidence of maintenance funds, you will need to provide a bank statement proving availability of:

- £1,023 per month to cover living costs for each month of your programme up to a maximum of nine months -£9,207 for Sunderland students, and **any tuition fees which you still owe.**

If you are providing a bank statement with a currency that is not in £ (GBP), the University of Sunderland strongly advises you to add at least £250 to the minimum maintenance funds stated above in order to avoid problems in cases of currency fluctuations.

We strongly recommend you keep the funding you show in your account until after you have received your visa.

Please use the Oanda currency converter to ensure you have the correct amount of money in your bank account.

### **Immigration Health Surcharge:**

From 6 April 2015, all non EEA persons applying for visas to come to the UK for more than 6 months will be required to pay a charge to cover National Health Service (NHS) healthcare in the UK. The payment will go directly into the NHS and applicants will be entitled to receive the same cover as a permanent UK resident.

New students applying for Student Visa entry clearance visas can use the start and end dates shown on their Certificate of Acceptance (CAS) to calculate how much the

charge will be. The cost is based on the length of the visa you are applying for.

The surcharge is calculated as £470 per year for each year of your visa. If your visa includes part of a year that is six months or less you will be charged an additional £235 for this period. If your visa includes part of a year that is more than six months, you will have to pay £470 for this period. For example, if your CAS states that your course starts in October 2020 and ends in June 2023 you should be granted a visa from September 2020 until October 2023 and the immigration surcharge will therefore be £1645. You can use the [Home Offices Immigration Health Surcharge tool](#) to check how much you will have to pay.

The Student Visa application form will direct you to the [Immigration Health Surcharge \(IHS\) portal](#) where you can pay the required charge.

I hope that this information is helpful to you and I wish you all the best for your studies at the University of Sunderland.

## General Information

The GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,

$M$  is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard

$M_q$  is the qualifying marks for general category candidate in the paper

$M_t$  is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)

$S_q = 350$ , is the score assigned to  $M_q$

$S_t = 900$ , is the score assigned to  $M_t$

In the GATE 2022 score formula,  $M_q$  is 25 marks (out of 100) or  $\mu + \sigma$ , whichever is greater. Here  $\mu$  is the mean and  $\sigma$  is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2022 was organized by Indian Institute of Technology Kharagpur on behalf of the National Coordination Board (NCB) - GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

*Your place has been offered on the basis of the information provided. On your arrival to the University you will be required to produce a valid visa allowing you to remain in the UK while studying at the University of Central Lancashire. We will also require sight of original versions of your qualifications listed in 'Documents upon which decision based' field above. Please note you will not be able to enrol until these original documents have been seen by the University.*

Please note that the University have, in liaison with UK Visas and Immigration, recently suspended the Alternate Collection Location (ACL) service. We would therefore advise that you do not select ACL for the purposes of collecting your Biometric Residence Permit (BRP) when completing your online Student visa Application. Your BRP will be delivered, by default, to the Post Office in Preston where you will be able to collect your BRP upon arrival in the UK.

There are strict maintenance requirements for the Student visa; you should ensure that you have kept the right amount of money in your bank account before you apply for your Student visa. It is important that your first application for a Student visa is your only application; we cannot guarantee that you will be given another CAS if your visa is refused because of maintenance. ### Zulassung im Studiengang Master Electrical and Microsystems Engineering zum Sommersemester 2022

Sehr geehrter Herr Shaji,

hiermit werden Sie im o.g. Studiengang an der OTH Regensburg zugelassen. Qualifikationsvoraussetzung für den Masterstudiengang ist ein mit einer Gesamtnote „gut“ oder besser abgeschlossenes Hochschulstudium mit 210 ETCS. Sollten Sie Ihr grundständiges Hochschulstudium mit 180 ETCS abgeschlossen haben, erfolgt die Zulassung unter der Bedingung der Nachqualifikation verbunden mit dem Vorbehalt des Widerrufs der Zulassung.

Die vorbehaltliche Zulassung bedeutet für Sie, dass Sie die fehlenden 30 ETCS innerhalb eines Jahres nach Zulassung zum Masterstudiengang nachholen müssen. Sollten Sie die Nachqualifikation nicht erfüllen, wird die Zulassung von Amts wegen widerrufen.

Wenn Sie den Studienplatz annehmen wollen, sollten Sie spätestens bis 28.02.22 im Bewerbungsportal HISiONE (<https://hisinone-studium.oth-regensburg.de>) die Online-Annahmeerklärung vornehmen und sich anschließend online immatrikulieren.

Um die Immatrikulation vorzunehmen, müssen Sie den unterschriebenen Immatrikulationsantrag, sowie die darin angegebenen Unterlagen ebenfalls spätestens bis 28.02.22 (Ausschlussfrist!) im Bewerbungsportal hochladen. Bitte nutzen Sie dafür die Dokumente-Nachladefunktion auf der Startseite des Portals (für alle Dokumente die Kategorie „Immatrikulation“ auswählen).

Falls Sie sich nicht immatrikulieren wollen, benötigen wir darüber keine Mitteilung. Sollten Sie sich nicht zu den oben genannten Vorgaben immatrikulieren, wird dieser Zulassungsbescheid unwirksam!

Nach den gesetzlichen Vorschriften wird noch darauf hingewiesen, dass der Zulassungsbescheid zurückgenommen werden muss, wenn er auf falschen Angaben beruht; ist er sonst fehlerhaft, Bescheid unbedingt sorgfältig auf, falls Sie ihn in den nächsten Jahren zur Vorlage bei Behörden benötigen. Zweitschriften können grundsätzlich nicht ausgestellt werden.

Mit freundlichen Grüßen  
Gez. Karin Schlecht

We will also require sight of original versions of your qualifications listed in 'Documents upon which decision based' field above. Please note you will not be able to enrol until these original documents have been seen by the University.*

Please note that the University have, in liaison with UK Visas and Immigration, recently suspended the Alternate Collection Location (ACL) service. We would therefore advise that you do not select ACL for the purposes of collecting your Biometric Residence Permit (BRP) when completing your online Student visa Application. Your BRP will be delivered, by default, to the Post Office in Preston where you will be able to collect your BRP upon arrival in the UK.

There are strict maintenance requirements for the Student visa; you should ensure that you have kept the right amount of money in your bank account before you apply for your Student visa. It is important that your first application for a Student visa is your only application; we cannot guarantee that you will be given another CAS if your visa is refused because of maintenance. For more information please read the 'What Next' guide or go to: [www.gov.uk/government/publications/points-based-system-student-route](http://www.gov.uk/government/publications/points-based-system-student-route) or [www.ukcisa.org.uk/Information--Advice/Visas-and-Immigration/Applying-for-a-Student-route-visa-outside-the-UK](http://www.ukcisa.org.uk/Information--Advice/Visas-and-Immigration/Applying-for-a-Student-route-visa-outside-the-UK)

In addition to the circumstances set out in the University's Tuition Fee Policy for 2020/2021 [www.uclan.ac.uk/study\\_here/assets/tuition\\_fee\\_policy\\_2021.pdf](http://www.uclan.ac.uk/study_here/assets/tuition_fee_policy_2021.pdf), the University will repay your deposit if you are prevented from taking up your place on your course as a result of circumstances resulting from the COVID-19 pandemic, provided that such circumstances are outside of both the University's and your control (evidence will need to be provided). An example of such circumstances may include, but is not limited to, where legislation in either the UK or your home country prevents you from taking up your place on your course.

Whilst we will accept tests of English other than IELTS, providing they are at the correct level for entry, if you are intending to undertake an IELTS we would recommend that you undertake one of the new UKVI Secure English Language Test (SELT) Academic IELTS or Trinity College Tests of English (UK only) – in light of recent changes made by the Home Office to English language provision.

Should you not meet the English language requirements for the course and need to undertake a pre-sessional English course we will be unable to accept any other English test providers as evidence of your English language ability for entry to the pre-sessional course.

Please visit the Home Office website for details of approved test centres where you may undertake one of the new style SELT IELTS.

## Visa

You will have to obtain a visa to study in the UK before you can take up your place. For further information, please visit our website.

Before you can apply for a visa, we have to issue you with a Certificate of Acceptance for Studies (CAS). We can only do so if you meet certain criteria, which are set out in our **Codes of Practice** document, included with this offer, relating to our sponsorship of International students. Please read the **Codes of Practice** carefully as it will apply to you if you accept this offer. Please note in particular that we reserve the right, in certain circumstances, not to issue a CAS or to withdraw a CAS even after you have accepted this offer. If we do not issue a CAS, you will not be able to obtain a visa, and you will not be able to take up your place at the University.

By requesting a CAS, you are confirming that you are fully aware of your responsibility to abide by the conditions of your Tier 4 visa, should a CAS be issued to you. This includes not exceeding working hour restrictions as stated on your visa/BRP, registering with the police (if applicable) and also your obligation to leave the UK when your visa expires. Further details about your responsibilities as a Tier 4 student are available on the UKCISA website.

By accepting this offer, you are entering into a legal contract to study with the University of Hertfordshire, subject to you fulfilling the conditions (if any) of the offer.

To accept this offer, you must either pay a deposit of **£5000** (which will be offset against your first year tuition fee) or provide us with satisfactory evidence that your fees will be paid by a sponsor. The final deadline for the payment of deposits or receipt of evidence of sponsorship is 22/11/2019. If we have not received either by this date, this offer will be deemed to have been withdrawn. Please refer to section 2.10 of the Fees and Finance Policy for details of how the deposit (which contains a non-refundable element) may be paid or the evidence of sponsorship provided.

If you accept this offer, we will acknowledge receipt as soon as reasonably possible.

There is more information about the contract in the **Key Facts** document sent with this letter, so do please read it carefully (as well as the other accompanying documents) before accepting our offer.
