in association with

PLACEMENT & TRAINING CELL, VJEC

CAREER GUIDANCE PROGRAM FOR ADVANCED LEARNERS

29th November 2022 - 1.00 pm to 4.00 pm

Session 1 : Higher studies Opportunities Abroad

Resource person : **Arya Mukesh**

Designation : General Manager

Insight International Study Abroad Pvt. Ltd.

Time : **1.00 PM to 2.30 PM**

Session 2 : Career after B. Tech through GATE

Resource person : **S Manimohan Trinath**

Designation : GATE Trainer,

ACE Engineering Academy, Hyderabad

Time : **2.30 PM to 4.00 PM**

Co-ordinators

Mr. Justine M Augustine | Dr. Jayesh George M

Career Guidance Session for Advanced Learners on 29th Nov. 1.00 PM to 4.10 PM

Dear HODs,

IQAC in Association with TPC conducts the **Career Guidance Session for Advanced Learners**. The details are as follows:

Date: 29th November 2022, Tuesday

Time: 1.00 PM to 4.00 PM

Venue: Msgr. Jacob Varickattu Hall

Kindly send the students to the seminar hall by 1.00 PM.

Report on

Career Guidance Sessions for Advanced Learners

Date: 29th November 2022

Time : 1.00 PM to 4.10 PM

Venue: Varikkattu Hall, VJEC

A Career Guidance Session for Advanced Learners was conducted by IQAC VJEC in association with Training and Placement cell VJEC for the advanced learners in the semester 3, 5 and 7 on 29 November 2022, 1.00 PM to 4.10 PM at Varikkattu Hall. The resource Persons were

1. Seminar on Higher studies Opportunities Abroad

Resource person - Arya Mukesh

Designation - GENERAL MANAGER

Experience - 7 years in this field ,6 years with Santa Monica Study Pvt Ltd.

Company: Insight International Study Abroad Pvt. Ltd.

Time: 1.00 PM to 2.30 PM

2. Seminar on GATE

Resource person – Trinath M M

Designation - Gate Trainer

Company: ACE ENGG ACADEMY, HYDERABAD, TELENGANA

Time: 2.30 PM to 4.10 PM

97 students from different department were participated in these sessions.

DIRECTOR, former VICE
CHANCELLOR OF VIT,
PRESIDENT ESN AWARDS).

All INDIA Top 5%(**15th Rank**) in
EDC/VLSI conducted by IISC
under NPTEL

CAREER OBJECTIVE

Quality-oriented professional with 13.5+ years of experience and a proven knowledge of classroom management, lifelong learning, and adaptive teaching methods. Aiming to leverage my skills to successfully fill the GATE/ESE TRAINER role.

"MY EDGE IS KNOWLEDGE"

"MY SIGHT IS INSIGHT"

PROFESSIONAL EXPERIENCE

GATE/ESE TRAINER

ACE ENGG ACADEMY, HYDERABAD, TELENGANA / May 2016 – Present

- Working as a GATE / ESE TRAINER giving coaching to ECE/EEE/EIN students on Analog Electronics , EDC & VLSI subjects all over India through ACE Engineering Academy.Also, handed down number of Seminars ,Presentations, Guest Lectures in IIT, NIT,IIT, Delhi Technological University & various Affiliated Private Colleges in India regarding GATE/ESE awareness program and core subject discussion in cited subjects, representing the organization.

As a Freelancer

EXPERT TRAINER in COMPITETIVE TECHNICAL EXAMS LIKE
ESE, GATE SINCE 2010 worked as a freelancer

As a Faculty

Worked as an Assistant Professor May 2008- may 2010 In
Sphoorthy Engineering College, Hyderabad

Certified **University Topper** in
MASTERS IN ELECTRONICS

Certified project at **ATIEPI**
central Govt of India.

I understand Education is not a fashion, it is an endless ocean and I have chosen Electronics and Communications as my career in which I successfully completed Masters and achieved the University Top merit award. Now I am in a search to find the "TRUTH ABOUT THE UNTRUTH" by which I am empowering Engineering students with light and knowledge
since 2008

ACHIEVEMENTS:

- AIR 3rd rank in Sri Venkateswara University Entrance Examination
- AIR 3rd rank in Acharya Nagarjuna University Entrance Examination
- AIR 12th rank in Andhra University Entrance Examination
- AIR 4th rank in Osmania University Entrance Examination.

Report on One Week Online Hands-on Research Oriented Workshop on Design of Experiments

Introduction

The Department of Mechanical Engineering at Vimal Jyothi Engineering College (VJEC) organized a one-week online workshop on Design of Experiments (DOE) from August 25, 2022, to September 1, 2022. The workshop aimed to equip faculties and research scholars from various Engineering and Arts & Science Institutions with comprehensive knowledge and practical skills in DOE theory and practice.

Workshop Overview

The workshop covered a range of topics essential for understanding and implementing DOE in research, including:

- Basic introduction to DOE
- ANOVA
- Full factorial design
- Multi factorial design
- Response Surface Methodology
- Robust Design
- Taguchi's Design
- Grey Relational Analysis

Objectives

The primary objectives of the workshop were to:

- Provide in-depth knowledge in DOE theory and practice using Minitab and Design Expert Software.
- Support faculties and research scholars in enhancing their understanding and application of DOE concepts.
- Foster collaboration and skill development among participants from various educational and research institutions.

Expected Outcome

By the end of the workshop, participants were expected to:

- Gain a solid understanding of DOE principles and techniques.

- Learn to apply DOE concepts using relevant software tools such as Minitab and Design Expert.
- Enhance their research capabilities and contribute effectively to their respective fields.
- Obtain E-certificates as recognition of their participation and successful completion of the workshop.

Registration Details

- Registration Fee: Rs. 500 per participant.
- E-Certificates: Provided for all registered participants.
- Registration Deadline: August 22, 2022.
- Registration Link: <https://forms.gle/z3PHN7d97KKwiZk69>
- Payment Method: NEFT, Google Pay, etc.
 - Account Number: 11160100077683
 - IFSC Code: FDRL0001116
 - Bank Name: Federal Bank Ltd, Chemperi, Kannur, Kerala.

Organizers and Contact Information

- Convenor: Dr. S. Christopher Ezhil Singh, ME, VJEC
 - WhatsApp: +91 6374805245
 - Email: christopher0420@vjec.ac.in
- Coordinators: Dr. P. Sridharan, ME, VJEC & Dr. Sreekanth MP, ME, VJEC
- Organized By: Department of Mechanical Engineering, Vimal Jyothi Engineering College

<p>ABOUT THE INSTITUTE</p> <p>Vimal Jyothi Engineering College (VJEC) is an educational project of the Archdiocese of Thalassery established in the year 2002 and is managed by Meshar Diocesan Educational Trust. The college is approved by AICTE and affiliated to APJ Abdul Kalam Technological University (KTU). VJEC is a self-financing Catholic minority institution aiming at generating fervor for Engineering and Technology in students. VJEC is an ISO 9001:2015 certified institution and also accredited by NAAC and NBA. With profound insight into the resource requirements of the higher education system, VJEC has proudly set up world-class infrastructure complemented with intellectual capital in the form of competent faculty. Many of the facilities are way beyond the regulatory requirements aiming for learning beyond the syllabus to address the requirements of the industry. These material facilities along with value addition programs and student support systems are the integral facets of empowerment at VJEC. Digital library, industry supported project labs, language lab, and student chapters of professional bodies such as IEEE, RAS, ISOI, IETE, SAE, and CSI offer an extensive range of resources, opportunities and services to the outcome based teaching learning process. Effective implementation of quality control processes ensure Engineering graduates with the expected level of knowledge, skills and attitude.</p>	<p>experiments will provide to optimize the experiment work in research. The applications of DOE are gaining an overwhelming response in almost all the research fields. The topics will cover basic introduction to DOE, Full Factorial Design, Multi Factorial Design, Response Surface Methodology, Taguchi Design, Robust Design, and Grey Relational Analysis.</p>	 <p>One week online Hands-on Research Oriented workshop on Design of Experiments</p> <p>25.08.2022 - 01.09.2022</p>
<p>ABOUT THE DEPARTMENT</p> <p>The Department of Mechanical Engineering was established in the year 2004 with Kannur University and later in 2015 affiliated to KTU for B.Tech degree course with an initial intake of 60 students. The department faculty is actively involved in guiding research scholars leading to Ph.D. degree. Currently, the department admits 60 students for the undergraduate programme in regular stream. To meet the required academic standards, quality instruction to students is imparted by the motivated and qualified faculty members providing good academic insights. Students are especially trained to meet the current industrial requirements.</p>	<p>OBJECTIVES</p> <p>The participants will be able to acquire in-depth knowledge in Design of Experiments theory and practice using Minitab and Design Expert Software's. The program is intended for the faculties and Research Scholars of Engineering and Arts & Science Institutions /University /R&D centers.</p>	 <p>Convenor</p> <p>Dr. S.Christopher Ezhil Singh, ME, VJEC For Contact: Whatsapp No: 6374805245 E.Mail.ID: christopher0420@vjec.ac.in</p> <p>Coordinators Dr.P.Sridharan, ME, VJEC Dr.Sreekanth MP, ME, VJEC</p> <p>ORGANIZED BY</p>  <p>DEPARTMENT OF MECHANICAL ENGINEERING VIMAL JYOTHI ENGINEERING COLLEGE Chemperi, Kannur, Kerala - 670 632. Accredited by NAAC and NBA Website:www.vjec.ac.in</p>
<p>ABOUT THE COURSE</p> <p>Continuous learning is mandatory for teachers and research scholars in the pandemic has impaired the regular face to face training programs. To overcome this a "One week online Hands-on Research Oriented workshop on Design of Experiments", is planned to support the faculties and research scholars of various Engineering and Arts and Science Colleges. Design of</p>	<p>EXPECTED OUTCOME</p> <p>The participants will be able to</p> <ul style="list-style-type: none"> ➤ Understand basic concept of DOE. ➤ ANOVA ➤ Full factorial design theory and practice using software. ➤ Multi factorial design theory and practice using software. ➤ Response Surface Methodology theory and practice using software. ➤ Robust Design theory and practice using software. ➤ Taguchi's Design theory and practice using software. ➤ Grey Relational Analysis theory and practice using software. 	
<p>REGISTRATION LINK</p> <p>https://forms.gle/z3PHN7d97KKwiZk69</p>	<p>REGISTRATION FEE</p> <p>The registration fee is Rs.500/- per participant. E-Certificate will be provided for all registered participants. Faculties and Research Scholars from all Engineering and Arts & Science Institutions are requested to fill the Google registration form and attach the photocopy of the payment receipt with the Google registration form. Registration can be done through NEFT, Google pay, etc. to this account number 11160100077683, IFSC Code: FDRL0001116, Bank Name: FEDERAL BANK LTD, Chemperi, Kannur, and Kerala. Any Quires please contact the coordinator Phone: 8300352566.</p> <p>The last date for registration is 22-08-2022.</p>	

List of Participants from VJEC

Conclusion

The one-week online workshop on Design of Experiments organized by VJEC provided a valuable platform for faculties and research scholars to enhance their knowledge and skills in DOE theory and practice. With a comprehensive curriculum and experienced faculty, the workshop aimed to empower participants to excel in their research endeavors and contribute meaningfully to their respective fields.

IQAC VJEC Professional Development Program

PDP on OBE and NBA

A professional development program on OBE and NBA was conducted by IQAC VJEC for the faculty Members on 16 January to 21 January 2023. The resource Persons was Dr Umakant Kulkarni, Professor, Sri Dharmasthala Manjunatheswara college of Engineering and Technology, Dharward, Karnataka. . Dr Benny Joseph welcomed the guest. 57 Staff members from different department were participated in this workshop.

Dear Sir,

Thank you very much for sparing your valuable time for conducting a “Professional Development Program on OBE and NBA” at Vimal Jyoti Engineering College on 16.01.2023. Your ideas, input and enthusiasm were really helpful in making improvements to our system. We look forward to your continued support for our accreditation related activities in the future.

Sincerely,

Dr. Benny Joseph
Principal

IQAC VJEC Faculty Training Program _ Effective use of Campus management Solutions

A workshop on Effective use of CMS was conducted by IQAC VJEC for the newly joined facultyMembers on 22 July 2023, 11.30 AM at Board Room. The resource Person was Ms. Ancy K Sunny from ADS Department. She explained about Spaneo CMS and its usage to all the participants. 5 Staff members from different department were participated in this workshop.

FACULTY DEVELOPMENT PROGRAM ON AI/ML

May 10th to 14th

VIMAL JYOTHI ENGINEERING
COLLEGE, CHEMPERI

About

Vimal Jyothi Engineering College (VJEC) is an educational project of the Archdiocese of Thalassery established in the year 2002 and is managed by Meshar Diocesan Educational Trust. The college is approved by AICTE and affiliated to APJ Abdul Kalam Technological University (KTU). VJEC is a self-financing catholic minority institution aiming at generating a fervor for Engineering and Technology in students. Here we inspire, nurture and foster them to realize their career potential in the field of Engineering and Technology.

With profound insight into the resource requirements of the higher education system, VJEC has proudly set up world-class infrastructure complemented with intellectual capital in the form of competent faculty. Many of the facilities are way beyond the regulatory requirements aiming for learning beyond the syllabus to address the requirements of the industry. These material facilities along with value addition programs and student support systems are the integral facets of empowerment at VJEC.

Digital library, industry supported project labs, language lab, and student chapters of professional bodies such as IEEE, ISOI, IETE, SAE, CSI offer an extensive range of resources, opportunities and services to the outcome based teaching learning process. Effective implementation of quality control processes ensure Engineering graduates with the expected level of knowledge, skill and attitude.

Vision

To bloom into a Center of Excellence for Technical Education and a pace-setter in rural India with its quality processes and procedures, interwoven with freedom of flexibility, moulding professionals of superior quality, dedicated to the progress and development of Humanity.

Mission

To prepare the students to see beyond geographical limit and belong to a new age of acquisition and application of technology to meet the challenges of the changing world. Inspired and guided by gospel values, we contribute to the socioeconomic welfare of the country with due concern to the marginalized.

Department of Computer Science and Engineering

Vimal Jyothi Engineering College (VJEC) is an educational project of the Archdiocese of Thalassery established in the year 2002 and is managed by Meshar Diocesan Educational Trust. The college is approved by AICTE and affiliated to APJ Abdul Kalam Technological University (KTU). VJEC is a self-financing catholic minority institution aiming at generating a fervor for Engineering and Technology in students. Here we inspire, nurture and foster them to realize their career potential in the field of Engineering and Technology. With profound insight into the resource requirements of the higher education system, VJEC has proudly set up world-class infrastructure complemented with intellectual capital in the form of competent faculty. Many of the facilities are way beyond the regulatory requirements aiming for learning beyond the syllabus to address the requirements of the industry. These material facilities along with value addition programs and student support systems are the integral facets of empowerment at VJEC. Digital library, industry supported project labs, language lab, and student chapters of professional bodies such as IEEE, ISOI, IETE, SAE, CSI, ACM offer an extensive range of resources, opportunities and services to the outcome based teaching learning process. Effective implementation of quality control processes ensure Engineering graduates with the expected level of knowledge, skill and attitude.

Vision

To contribute to the society through excellence in scientific and knowledge-based education utilizing the potential of computer science and engineering with a deep passion for wisdom, culture and values.

Mission

To promote all-round growth of an individual by creating futuristic environment that fosters critical thinking, dynamism and innovation to transform them into globally competitive professionals.

To undertake collaborative projects which offer opportunities for long-term interaction with academia and industry.

To develop human potential to its fullest extent so that intellectually capable and optimistic leaders can emerge in a range of professions.

Curriculum

Duration: 5Days

1. Industry tools, technologies & platforms

- Git, Python, VSCode
- Anaconda, Jupyter Lab
- PyTorch, TensorFlow, Scikit-Learn, Keras, ONNX
- Containerization with Docker & Kubernetes
- GPU
- Cloud Computing
- System set-up and Resources for Workshop.

2. Machine Learning - Regression

- Parametric methods
- Non-parametric method
- Data processing techniques
- Dimensionality Reduction
- Bias Variance Trade-offs
- Regularization
- Cost Function
- Optimization Techniques
- Model evaluation
- Linear Regression – Implement from scratch using NumPy
- Interpretability
- Non-Linear Models for Regression

3. Machine Learning - Classification

- Data processing techniques
- Logistic Regression
- Naïve Bayes
- Decision Tree,
- Bagging - Random Forest
- Boosting
- Stacking
- Support Vector Machines
- Cost Function & Optimization Techniques
- Model Evaluation
- Model Selection
- Hands-on Lab - Implement Logistic Regression and Naïve
- Bayes from Scratch (without using any frameworks)
- Hands-on Lab - Build, Evaluate and Select Models using ML Frameworks

4. Machine Learning - Clustering

- Hierarchical Clustering
- Density Based Clustering
- Centroid Based Clustering: K-Means
- Advantages and Disadvantages
- Distance Measures
- Cost Function
- Model Evaluation
- Techniques for choosing K
- Hands-on Lab – Implement K-Means, K-Means++

5. Artificial Neural Networks

- Multilevel Perceptron
- Activation Functions
- Batch Normalization
- Regularization
- Cost Function
- Back propagation
- Optimization Techniques
- Hyperparameter tuning

Curriculum

6. Deep Learning

- Convolutional Neural Networks
- Recurrent Neural Networks
- LSTM
- GRU
- Applications - NLP, Computer Vision, Speech
- Unstructured Data Processing
- Word Embeddings - Word2Vec, Glove
- CBOW, Skip-gram
- Transfer Learning
- Encoder-decoder models
- Hands-on Lab: Build a Text classifier using
- Traditional ML Model
- Hands-on Lab: Build a Text Classifier using Deep Learning

7. Advanced ML/DL | Industry Trends Project & Research Areas

- Large Language Models (LLMs)
- Multilingual LLMs
- GPT -3, GPT-3.5, GPT-4, ChatGPT
- OpenAI, Hugging Face
- Reusing pre-trained LLMs
- Fine-tuning LLMs - Transfer Learning
- Application Areas
- Project/Research Ideas
- Authoring Research Papers | Conferences | Journals

RESOURCE PERSON

BINIL KURIACHAN

SR. APPLIED SCIENTIST
MICROSOFT

Binil Kuriachan is a Sr. Applied Scientist at Microsoft (R&D) working on Cybersecurity Research with more than 10 years of industrial experience specialising in AI/ML. He has done his master's in computer science from Arizona State University, USA and pursued research in information systems from IITM. Binil has handled multiple AI projects comprising of natural language processing, information retrieval, personalization, supply chain, geospatial modelling, cybersecurity etc. in his industrial career. He is an expert in designing and building scalable machine learning and deep learning pipelines. Binil has 7 research papers and 20+ certifications in Machine Learning, Deep Learning, Data Structures, Algorithms etc. to his credit.

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

FDP ON AI/ML

REPORT

The Department of Computer Science and Engineering organized a faculty development program on AI/ML from 10.05.2023 to 14.05.2023 for faculties. BINIL KURIACHAN, SR. APPLIED SCIENTIST, MICROSOFT was the resource person for this session. The program focused on providing hands-on training, interactive sessions, and resources to enhance the faculty's understanding and application of AI/ML in their respective disciplines. Around 34 participants attended the training program. The session was convenient and participants responded positively to the session. The curriculum covered the core areas like Industry tools, technologies & platforms, Machine Learning - Regression, Machine Learning - Classification, Machine Learning - Clustering, Artificial Neural Networks, Deep Learning, Advanced ML/DL Industry Trends Projects & Research Areas. By empowering faculty members, the program has positively impacted teaching practices, research productivity, and student engagement in AI/ML-related subjects.

Objectives:

- To provide industry exposure to bridge the academia-industry gap by implementing some of the popular Machine Learning algorithms.
- To help the candidates to understand the AI/ML concepts thoroughly and familiarize them with the recent breakthroughs in the field.

The outcome of the event

- Faculty members gained a deeper understanding of the industry tools, technologies, and platforms used in ML Projects.
- Participants were able to implement ML algorithms.
- Participants were able to understand the methodologies used in ANN and Deep Learning.
- The program stimulated research interest in AI/ML, leading to faculty members pursuing research projects and collaborations in this field.
- Participants established connections with experts and peers, creating a network for continuous learning and collaboration.
- The program's emphasis on hands-on training, interactive sessions, and collaborative projects ensured a comprehensive learning experience for the participants.

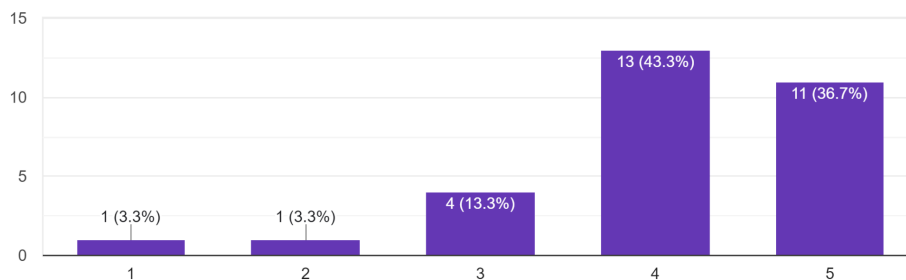

This session was coordinated by

1. Ms. Neena V V, AP CSE
2. Ms. Rahna C M, AP CSE
3. Mr. Abhiram P, AP CSE

Feedback from the participants

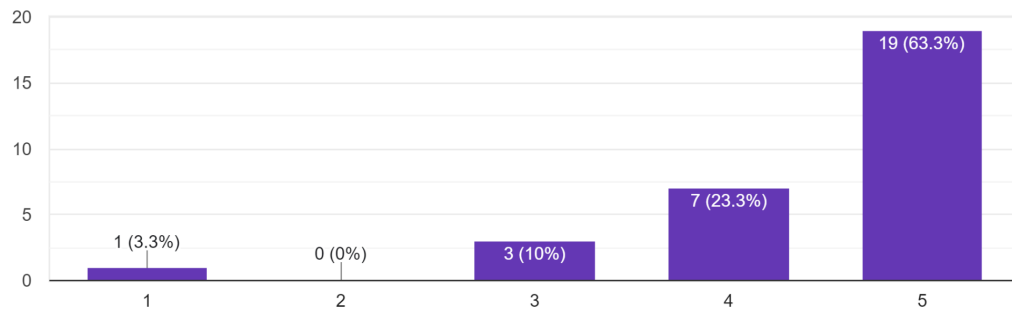

FDP objectives were clearly stated and met.

30 responses

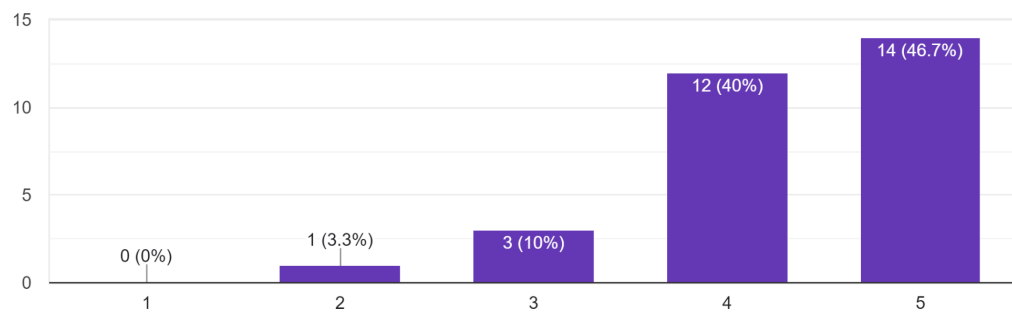

The FDP was well organized.

30 responses

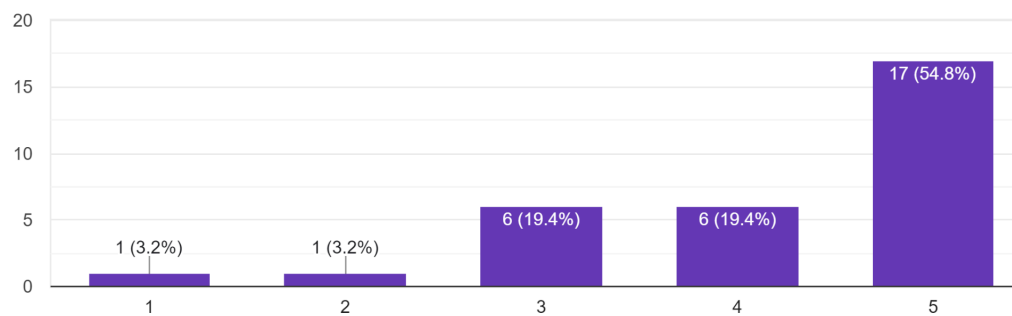

The information presented were relevant and useful.

30 responses

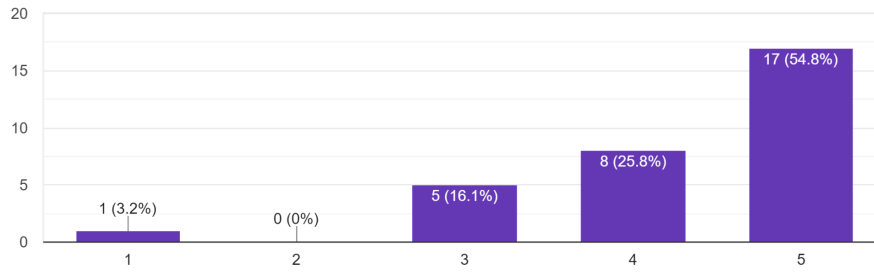

The presenter provided adequate time for questions and answered them satisfactorily.

31 responses

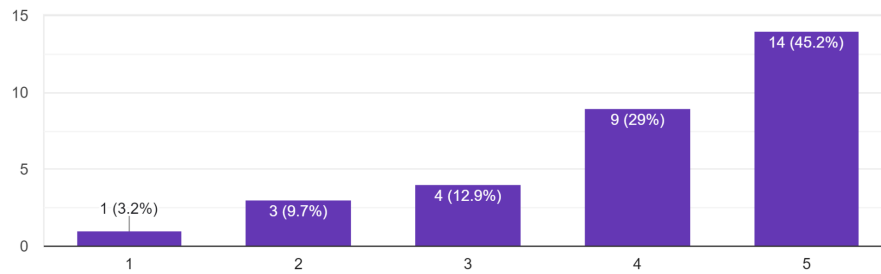

The hands-on sessions were important for the learning process in the training session.

31 responses

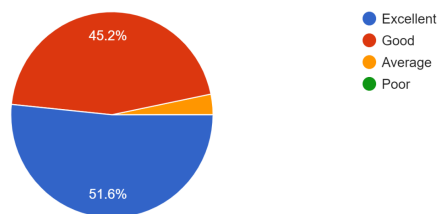

The resources provided were sufficient and helpful in enhancing the understanding of the topics covered.

31 responses

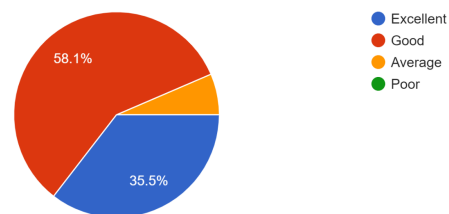

How would you rate the resource person?

31 responses

How would you rate the overall experience of the faculty development program?

31 responses

VIMAL JYOTHI ENGINEERING COLLEGE

INTERNAL QUALITY ASSURANCE CELL

5 Days FDP on OBE philosophy and Practice

DATE -5th, 6th, 7th, 8th and 9th May
2023

TIME - 9.00am to 4.10pm

Vimal Jyothi Engineering College,
Jyothi Nagar, Kannur District, Chempuri, Kerala
670632

Venue: Varikkattu Hall, VJEC vR

ADVISORY COMMITTEE

Dr. Sridharan P , Professor/ME
Dr. Senthilkumar R, Professor/ME
Ms. Neena V V, AP/CSE
Ms. Anit Thomas, AP/ADS
Dr. Vibhoosha M P , AP/CE
Ms. Shamy A, AP/AEI
Ms. Shimna P K , AP/ECE
Ms. Mejo M Francis, AP/ME
Mr Prabhin James, IEEE VT Society
South Asia Representative

Resource Persons

1. Dr. Benny Joseph, Principal, VJEC
2. Ms. Laly James,
Associate Professor and HoD,
EEE Department
3. Ms. Divya B,
Associate Professor and HoD ,
CSE Department
4. Mr. Shinu M M,
Assistant Professor, AEI
5. Dr. Nageswara Gupta, Principal,
Sri Venkateshwara College
of Engineering, Bangalore
6. Dr. Venkatesh Babu D L,
Consultant on OBE

ORGANIZING COMMITTEE

Chief Patron

Archbishop Mar Joseph Pamplany, Arch Bishop
Archdiocese of Tellicherry

Patron

Rev. Fr ANTONY MUTHUKUNNEL,
PROTO SYNCELLUS, Chairman VJEC

Co Patrons

Rev. Fr. James Chellamkottu, Manager, VJEC
Rev. Fr. Lazar Varambakath, Bursar, VJEC

Convenor

Dr. Benny Joseph, Principal, VJEC

COORDINATOR

1. Dr Roshini T V, Dean Academic
Ph: 9496402767
2. Dr Jayesh George, IQAC coordinator
Ph: 9746135446

Major Course Contents:

- Introduction to OBE
- Defining / Refining Course Outcomes
- Activity - Redefining Cos
- Blooms Taxonomy
- Hands-on Blooms Taxonomy
- CO-PO Mapping
- Assessment tools
- Activity on Assessment tools
- Curricular gaps, Course level gaps
- Programme level gaps
- Hands-on in preparing curricular gaps
- CO Attainment
- PO Attainment
- Hands on session on attainment calculation
- Gap filling activity

About the FDP:

This Faculty Development Programme (FDP) addresses the need to enhance the knowledge about the latest Outcome-Based Education(OBE) and its implications in teaching, assessment and evaluation. The aim of this FDP is to nurture the philosophy of Outcome Based Education (OBE) and to build the capacity of the young Faculty Members and Heads of department so as to facilitate its institutionalization in the Teaching-Learning System and other Academic Processes of the Institution. Moreover, the objectives of FDP are as follows: Provide faculty members with the necessary knowledge and skills to design, implement, and assess curricula based on measurable learning outcomes. Understand the key concepts of OBE, such as backward design, learning outcomes, and assessment strategies. Provides faculty members with an opportunity to learn about the latest trends and best practices in OBE, as well as to collaborate and share ideas with their colleagues

CERTIFICATION

All participants will get certificate from the IQAC, VJEC.

Who should Attend

All Faculty members from all the departments of VJEC

Registration Fees

This workshop is fully sponsored by VJEC Management for IQAC VJEC. Hence this workshop is free for all participants.

About the College

Vimal Jyothi Engineering College (VJEC) is an educational project of the Archdiocese of Thalassery established in the year 2002 and is managed by Meshar Diocesan Educational Trust. The college is approved by AICTE and affiliated to APJ Abdul Kalam Technological University (KTU). VJEC is a self-financing catholic minority institution aiming at generating a fervour for Engineering and Technology in students. Here we inspire, nurture and foster them to realize their career potential in the field of Engineering and Technology. With profound insight into the resource requirements of the higher education system, VJEC has proudly set up world-class infrastructure complemented with intellectual capital in the form of competent faculty. Many of the facilities are way beyond the regulatory requirements aiming for learning beyond the syllabus to address the requirements of the industry. These material facilities along with value addition programs and student support systems are the integral facets of empowerment at VJEC. Digital library, industry supported project labs, language lab, and student chapters of professional bodies such as IEEE, ISOI, IETE, SAE, CSI offer an extensive range of resources, opportunities and services to the outcome-based teaching learning process. Effective implementation of quality control processes ensures Engineering graduates with the expected level of knowledge, skill and attitude. Vimal Jyothi Engineering College is a NAAC and IEI accredited institution and six U.G. programs are accredited with NBA.

VISION OF THE COLLEGE

To bloom into a Center of Excellence for Technical Education and a pace-setter in rural India with its quality processes and procedures, interwoven with freedom of flexibility, moulding professionals of superior quality, dedicated to the progress and development of Humanity.

MISSION OF THE COLLEGE

To prepare the students to see beyond geographical limit and belong to a new age of acquisition and application of technology to meet the challenges of the changing world. Inspired and guided by gospel values, we contribute to the socioeconomic welfare of the country with due concern to the marginalized.

FDP on OBE Philosophy and Practice

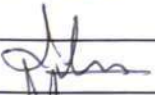

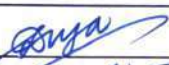

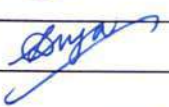

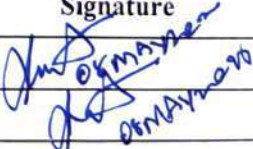

May 5 -9, 2023

FDP Schedule

Day 1	5th May 2023	
Time	Session	Resource Person
9:00-10:00	Inauguration and Introduction to the FDP	Dr Benny Joseph
10:00-11:00	Diagnostic test	Dr Benny Joseph
11:00-11:15	Break	
11:15-1:15	OBE philosophy in Teaching learning process	Prof. Laly James
	Curriculum Gap identification	Prof. Laly James
	Gapfilling activity, etc	Prof. Laly James
1:15-2:00		
2:00 - 4.10	Defining / Refining Course Outcomes	Prof. Divya B
	CO-PO Mapping	Prof. Divya B
	Assessment tools	Prof. Divya B
	Break	
	Attainment Calculation	Prof. Divya B
Day 2	6th May 2023	
Time	Session	Resource Person
9:00-10:00	Assessment Test	Dr Benny Joseph
10.00 - 4.10	Attainment Calculation presentation by the faculty	Prof. Shinu M M
Day 3	7th May 2023	
Time	Session	Resource Person
9.00 - 4.10	Hands on session on attainment calculation	Prof. Shinu M M
Day 4	8th May 2023	
Time	Session	Resource Person
9:00-9:30	Introduction to OBE	Dr. Nageswara Gupta
9:30-10:30	Defining / Refining Course Outcomes	Dr. Nageswara Gupta
10:30-10:45	Break	
10:45-11:15	Activity - Redefining COs	Dr. Nageswara Gupta
11:15-11:45	Blooms Taxonomy	Dr. Venkatesh Babu
11:45-1:15	Hands-on Blooms Taxonomy	Dr. Venkatesh Babu
1:15-1:45	Lunch	
1:45 - 2:30	CO-PO Mapping	Dr. Venkatesh Babu
3:00-3:15	Break	
3:15-4.10	Assessment tools	Dr. Venkatesh Babu

Day 5	9th May 2023	
Time	Session	Resource Person
9:00-9:30	Activity on Assessment tools	Dr. Venkatesh Babu
9:30-10:30	Curricular gaps, Course level gaps	Dr. Venkatesh Babu
10:30-10:45	Break	
10:45-11:45	Programme level gaps	Dr. Venkatesh Babu
11:45-1:15	Hands-on in preparing curricular gaps	Dr. Nageswara Gupta
1:15-1:45	Lunch	
1:45 - 2:30	CO Attainment	Dr. Nageswara Gupta
3:00-3:15	Break	
3:15-4.10	PO Attainment	Dr. Nageswara Gupta

No comments

No

-

Slight confusions in PEO explanations and PEO statements & course end survey is inadequate.

Attainment calculation must be done as a task

no comments

Instead of making us do different subject, it will be better to calculate CO PO for the same subject and perform calculations till we attain final CO PO attainment value so that all steps will be more clear and then do our own subject as an assignment.

More pedagogy techniques

Please focus more on what we need. Felt the session was too much lagging and irrelevant

No comments

.

felt exhausted

No other comments

Please provide extra time for doubt clearance.

Not met expected outcome

Please incorporate attainment calculation as an assignment

Overall, it was effective.

No Issues

other criterias

Presentation was not visible

Clear explanation of course level gap is not clear

Arrange Basic OBE workshop for newly joined faculty only

Number of participants are very huge. So it is difficult to actively involved in this session.

Not provided adequate time for answering assignments and gave less time interval for important sections

I

Please add more real example to address the concepts

Nil

It will be better if it was conducted as Q&A session only

CO PO mapping was not clear, which felt suitable for tier 2 institutions; Vegetarians were not considered

Nil

Nothing

It would be better to conduct activity sessions at the end of explaining all concepts.

It would be helpful if the presenters could give adequate time for us to complete the tasks .

1.From these experts we have exploit maximum information, we have to prepare a questionnaire from the inputs from faculty, we may get answers to those questions from these experts. We have to try

2.Vegetarians are not considered during tea sessions

Curriculum gap identification need to be explained in detail

IQAC VJEC Faculty Training Program
OBE Philosophy & Practice
May 05-09, 2023

Preamble: A five days Faculty Development Program on OBE Philosophy & Practice was conducted by IQAC VJEC for the faculty Members on 05- 09 May, 2023 at Vimal Jyothi Engineering College. The resource Persons were Dr. Nageswara Gupta, Dr. Venkatesh babu D L, Dr. Ms. Laly James, Ms. Divya B and Mr. Shinu M M. 117 Staff members from different department were participated in this FDP.

Introduction: The following report provides an overview of a faculty development program conducted on the topic of Outcome-Based Education (OBE). The purpose of this program was to enhance the understanding and implementation of OBE principles among faculty members. The program aimed to equip the faculty with the necessary knowledge and skills to align their teaching methods and assessments with the desired learning outcomes.

Objective: The primary objective of the faculty development program was to enable faculty members to effectively incorporate the principles of Outcome-Based Education in their teaching practices. The program aimed to help faculty members understand the significance of defining clear learning outcomes, designing instructional strategies, and implementing appropriate assessments to measure student achievement.

Program Design and Implementation:

Needs Assessment: A thorough needs assessment was conducted prior to the program to identify the existing understanding of OBE among faculty members, as well as their areas of improvement and concerns. This assessment helped tailor the program to address specific needs.

Workshop Sessions: The program consisted of a series of interactive workshop sessions conducted over a period of five days. The sessions were designed to provide a comprehensive understanding of OBE principles and their practical implementation. Key topics covered in the workshops included: a. Introduction to Outcome-Based Education b. Blooms Taxonomy c. Aligning Instructional Strategies with Learning Outcomes d. Designing Authentic Assessments for OBE e. Cognitive levels.

Resource Materials: Participants were provided with resource materials, including handouts, templates, and examples, to support their understanding and application of OBE principles. These materials served as reference guides and tools for faculty members to develop their course outcomes and assessments.

Case Studies and Best Practices: Real-life case studies and examples of best practices from various educational institutions were shared during the program. This allowed participants to gain insights into successful OBE implementation and provided them with practical strategies for addressing challenges.

Hands-on Activities: The program incorporated hands-on activities to engage participants actively. These activities included group discussions, interactive exercises, and the development of sample course outcomes and assessments. The practical application of OBE principles enhanced the learning experience and encouraged participants to apply their knowledge in real-world scenarios.

Follow-up and Support: To ensure the sustainability of the program's impact, a follow-up plan was established. It included post-program mentoring, consultation sessions, and ongoing support from educational experts. This support aimed to assist faculty members in implementing OBE effectively within their respective disciplines.

Pre- and Post-Assessment: Participants were evaluated through pre- and post-assessments to measure the improvement in their understanding of OBE principles and their ability to implement them in practice. The assessments consisted of multiple-choice questions.

Participant Feedback: A feedback survey was administered to gather participants' perspectives on the program's effectiveness, relevance, and overall satisfaction. The feedback allowed for further refinement of the program in subsequent iterations.

Outcome and Impact: The faculty development program on Outcome-Based Education yielded positive outcomes and impact, including:

Increased understanding of OBE principles among faculty members.

Enhanced ability to write clear and measurable learning outcomes.

Improved alignment of instructional strategies with learning outcomes.

Development of authentic assessments that measure desired outcomes effectively.

Strengthened faculty collaboration and exchange of best practices.

Integration of OBE principles in the curriculum design process.

Improved student learning outcomes and achievement.

Conclusion: The faculty development program on Outcome-Based Education successfully equipped faculty members with the knowledge and skills required to implement OBE principles effectively. The program fostered a culture of continuous improvement, collaboration, and student-centered teaching practices.

BAGGAGE INFORMATION

- For queries or communication with Flipkart regarding your booking, please use the Booking ID as a reference.
- Kindly note that check-in counters will close 60 minutes prior to departure for all domestic flights.
- It is mandatory for all passengers to carry valid photo ID proof in order to enter the airport and present at the time of check-in. Permitted ID proofs include - Aadhaar Card, Passport or any other government recognized ID. For infant travellers (0-2 yrs), it is mandatory to carry a birth certificate as a proof.
- Passengers must carry a copy of their E-ticket on a tablet/mobile/laptop or a printed copy of the ticket to enter the airport and show at the time of check-in.

CANCELLATION & DATE CHANGE CHARGES

- For booking cancellation, log in to the Flipkart app and visit the 'My Bookings' section.
- In the case of booking cancellation, both Flipkart and the airline will levy a cancellation fee. The airline cancellation fee may vary depending on the duration before flight departure. Flipkart will charge a ₹400 cancellation fee per passenger, per flight/sector
- Bookings can be cancelled on Flipkart up to 5 hours before flight departure. For cancellations within 3 hours of departure time, kindly contact the airline partner directly.
- Any refund claims arising due to cancellation or delay of the flight due to the airline will be received by Flipkart. In the event that the airline does not refund the amount to Flipkart, we shall not be held liable.
- In the event of a cancellation made in case of a layover or a connecting flight booking, all the flight bookings (for that journey) will be cancelled, i.e no partial cancellation will be allowed. Also, flights booked under a single PNR (in case of cancellation), will be cancelled together.
- In case of booking cancellation, the refund (if applicable) will be refunded to your bank account or the original mode of payment within 7 days.
- If the flight is cancelled or in case of a 'No Show', please initiate your refund request via Flipkart.

Subject: EmpowerED: A One Day Workshop on Advancing Modern Teaching and Learning Methodologies_ Poster

To: Dr Benny Joseph <bennyjoseph@vjec.ac.in>

Cc: Shamin Muth KK <shaminmuthu@vjec.ac.in>

Dear Sir

IQAC VJEC would like to conduct a one-day workshop on Advancing Modern Teaching and Learning Methodologies on 25 March 2023. PFA

VIMAL JYOTHI
ENGINEERING COLLEGE

EMPOWERED: A ONE DAY WORKSHOP ON ADVANCING MODERN TEACHING AND LEARNING METHODOLOGIES

ON MARCH 25, 2023 FOR VJEC FACULTY
TIME: 10 AM ONWARDS | VENUE: BOARD ROOM

SESSION ON: USING ADOBE EXPRESS TO CREATE
ENGAGING LEARNING MATERIALS

by **MR. SHAMINMUTH K K**

Program Organized by IQAC

Best regards,

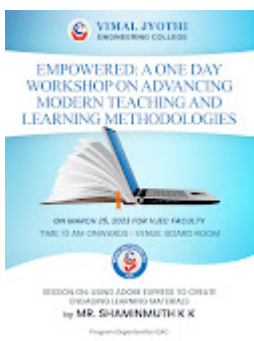

Dr Jayesh George M

Associate Professor

Department of Electronics & Communication Engineering

Vimal Jyothi Engineering College, Kannur, Kerala, India.

Ph: +91 9746135446

VIMAL JYOTHI ENG. COLLEGE KANNUR **"EmpowerED: A One Day Workshop on Advancing Modern Teaching and Learning Methodologies"**

Session 1: Using Adobe Express to Create Engaging Learning Materials

Duration: 1.5 hours

Resource person: SHAMINMUTH KK

Course Objectives:

- Understand the basics of Adobe Express.
- Learn how to use Adobe Express to create engaging learning materials.
- Explore innovative teaching methodologies and how they can be applied using Adobe Express.

• **Course outline:**

Introduction (5 mins)

- Introduce the course objectives and outline
- Discuss the importance of innovative teaching methodologies

• **II. Overview of Adobe Express (15 mins)**

- Explain what Adobe Express is and what it can be used for
- Show how to access Adobe Express
- Demonstrate the key features of Adobe Express

• **III. Creating Engaging Learning Materials (25 mins)**

- Introduce the concept of engaging learning materials and its importance
- Demonstrate how to create engaging learning materials using Adobe Express
- Provide examples of engaging learning materials created using Adobe Express

• **IV. Innovative Teaching Methodologies (20 mins)**

- Introduce innovative teaching methodologies
- Discuss how Adobe Express can be used to support innovative teaching methodologies
- Provide examples of innovative teaching methodologies that can be implemented using Adobe Express

• **V. Hands-on Practice (20 mins)**

- Provide participants with an opportunity to practice using Adobe Express to create engaging learning materials
- Encourage participants to experiment with innovative teaching methodologies

• **VI. Conclusion and Next Steps (5 mins)**

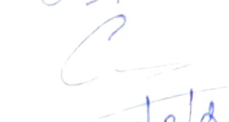

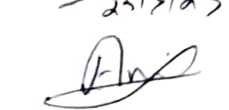

- Summarize the key points of the course
- Provide resources for further learning
- Encourage participants to continue experimenting with Adobe Express and innovative teaching methodologies
