

VIMAL JYOTHI
ENGINEERING COLLEGE

VIMAL JYOTHI ENGINEERING COLLEGE, CHEMPERI

DEPARTMENT OF COMPUTER SCIENCE AND
ENGINEERING (COMPUTER SCIENCE AND DESIGN)

Add-on Course on

Advanced UI/UX Design Tools for Visual Design and Prototyping

In Association with
Aviv Digital

 Aug 21 - 25

 9:00 am - 4:00 pm

 Lab 2 (PG Lab)

For S7 CSD Students

Vision of the Department

- To contribute to the society through excellence in scientific and knowledge based education utilizing the potential of computer science and engineering with a deep passion for wisdom, culture and values.

Mission of the Department

- To promote all-round growth of an individual by creating futuristic environment that fosters critical thinking, dynamism and innovation to transform them into globally competitive professionals.
- To undertake collaborative projects which offer opportunities for long-term interaction with academia and industry.
- To develop human potential to its fullest extent so that intellectually capable and optimistic leaders can emerge in a range of professions.

About the Course:

- This course is designed to make advanced UI/UX design tools accessible to everyone, with a focus on mastering Figma, a leading collaborative interface design tool. Widely used by designers, product managers, writers, and developers, Figma enhances decision-making through seamless collaboration.
- By the end of the course, students will be able to create, share, and test designs for websites, mobile apps, and other digital products. They will also learn to design layouts using scalable vector graphics without quality loss and build interactive prototypes of web layouts for testing and modification.
