Action taken report of feedback on "Academic performance and ambience of the Institution" 2021-22

Based on the feedback collected from the stakeholders, students, teachers, alumni and employers we assessed the academic performance and ambience of the institution. The following actions are required for the improvement of academic performance.

1. Provide weekly aptitude training for all students.
2. Offer intensive pre placement training for final year students
3. Provide TCS specific training for final year students.
4. Students should provide add-on courses to bridge the gap in recent technologies in industry.
5. Students should be encouraged to attend MOOC courses of their relevant branch.
6. New B.tech program with specialization on security in the cyber world and business system may be introduced.
