

MECHNOVA

ME DEPARTMENT NEWS LETTER

HOD DESK

Greetings to Dear students, Faculty and Friends!

Department Tech fest "Mexterious 2K13" was conducted in exemplary manner. It has set benchmark for conduct of such events in the College. Launch of Entrepreneurship Development Cell (EDC) will offer the much needed platform to learn from the best in the industry and also help to promote entrepreneurship among the students. There is comparative improvement in S4 University results. However, we need to work hard and aim to achieve better results in future.
