

## IN THIS ISSUE

2 Farewell for  
Ms.Lineeta

4 List of Placed  
Final Year Students

2 Farewell for  
Final Year Students

## MISSION

To empower emerging engineers with state of art technology along with high pattern of discipline, nurture career improvement and develop human and social intellectual qualities necessary for the successful practice of the profession.

## VISION

Lead the students in the Quest for attaining excellence in the ever evolving technical trends in the field of Electronics and Communication.

## WORDS FROM HEAD OF THE DEPARTMENT

To begin with I would like to congratulate all the student who placed in various reputed companies. Dawn of an academic year invites fresh undergrad entrants, some of them with strong aspiration to do B-Tech ECE at 'VJEC,Chemperri and the rest boarding the course just by virtue of their laudable academic records. At the end of four years, all of them evolve into confident and brilliant engineers, ready to face the technical challenges inherent of the field of electronics and communication. The department of ECE has its core strength in electronics , communication and signal processing with the following two academic programmes

- 1)B-Tech in Electronics and Communication Engineering
- 2)M-Tech in Communication and Signal Processing

In avant garde, we provide insights into an emerging technology or an innovation in the field of Electronics and Communication engineering

I congratulate the team who has taken the initiative for producing this Newsletter.

Roshini T V  
ECE HOD

## EDITORIAL

"In order to succeed, your desire for success should be greater than your fear of failure".  
Dear Readers ,  
The newsletter will serve as a platform where issues pertaining to the department can be raised, debated and solutions be arrived at and we expect the enthusiastic participation of both, the faculty and the students.  
We are extremely glad to bring forth to you the News-letter "NEXUS"of Department of Electronics & Communication.  
NEXUS brings forth a spectrum of multifarious activities in the Electronics & Communication Engineering department.  
This issue covers the news from march 2014 to july 2014.we express our gratitude towards our principal Dr.Benny Joseph and our H.O.D Ms.Roshini T V for their constant support & encouragement .
