ELECTRICAL GNOSYS

ELECTRICAL AND ELECTRONICS ENGINEERING DEPARTMENT

VISION

To evolve as a center of excellence, to train students in contemporary technologies, to meet the needs of global industry and to develop them into skillful engineers instilled with human values and professional ethics

MISSION

To produce competent and disciplined Engineers through delivery of quality education to meet the ongoing global challenges in alignment with technical education system and society.

GREETINGS TO ALL

I am happy to inform that our pride rests in the Departmental Newsletter "ELECTRICAL GNOSYS", which highlights the academic and non-academic activities of both the staffs and students of the department. EEE has maintained an exemplary academic record. I am proud that Smt. Sabna PK, EEE Department of VJEC secured 1st rank in Electrical & Electronics Engineering from Kannur University in 2015. The core values of the department help the students to develop their overall personality and make them worthy technocrats to compete and work at a global level. We have organized the International Indian workshop under our active IEEE IAS Society from 4th September to 6th September 2015. We got two International awards, Outstanding chapter award and Web contest award this year. Also five of our students and our staff advisor of IAS Society got selected to attend the IEEE IAS annual meet at Dallas, Texas, USA from 17th to 22nd October 2015. Hearty congratulations to all my students and faculties for their academic and non-academic achievements.

We ensure that we will continue to deliver our best to serve the society and mankind. We also expect our students to enlighten the fellow humans around the globe with the skills which they have developed during their stay at this department for the development of a better society.

Prof. Laly James
HOD EEE

STUDENTS ACHEIVEMENTS

congratulation

- ➔ SABNA P K for securing first rank in ELECTRICAL AND ELECTRONICS from kannur university
- ➔ PASS PERCENTAGE OF 2011-15 BATCH IS 92% (final semester).

DEPARTMENTAL ACTIVITIES

- ➔ Students of S3 EEE has conducted an IV to KELTRON (20TH Aug)

IEEE IAS INDIAN WORKSHOP

KITEs '15 is inaugurated by Vice Chair PES Mr. HAREENDRALAL

IEEE LINK KITEs '15 is an all Kerala event organized every year in Kerala. In this event 290 selected participants across Kerala and 110 selected students from our college has participated under the supervision of EEE Department.

IEEE DAY Celebration

On IEEE day (6th oct) VJEC SB conducted a technical quiz competition and winners are selected to the regional competition.

INDUSTRIAL VISIT 02-04 Oct

Nikhil Valsan K
Asst. PROFESSOR EEE

Jyothis Joseph
S7EEE

Sneha Ramakrishnan P V
S7EEE

Darwin Joseph
S7EEE

Meghnath K V
S7EEE

Amal Thomas
S7CSE

CONGRATULATIONS to the participants of IEEE IAS annual meeting to be held at DALLAS- TEXAS USA ON 17th oct

Class PTA of S1 (23 Sept')

ARUNDATHI DAS class topper of S1

ARYA E and UNNIMAYA BALAKRISHNAN were the 2nd and 3rd toppers.
