## From HOD DESK

Greetings from HOD...

During last two months various professional body activities were conducted successfully by Electrical Engineering department. The team work of students and staff members was an encouraging factor, for successful organization of these activities which we want to continue in coming months also.

Also I congratulate Ms. Shelma George , AP, EEE who attended the IEEE-IAS Annual meet at Portland USA representing our college and returned safe receiving awards.

It gives me a great pleasure that we have conducted an alumni meet this year also and Alumni Association of Vimal Jyothi Engineering college is registered as a society . Hope this will encourage to meet with many of our graduate students after a long time as well as provides them a chance to meet each other, their former teachers and other staff members .
