OCTOBER 2019

From HOD DESK

It gives me immense pleasure to note that another edition of Electrical Gnosys ready for launch. If we turn the pages of the last two months, several colourful imprints which include many international recognitions are left behind in the history of EEE department which always glorifies the name of our institution.

I congratulate Mr Abhay Rajan & Ms. Meghna Sudeep of S7 EEE for attending the IEEE-IAS Annual meet at Baltimore USA representing our college and returned safe receiving awards.

It gives me a great pleasure that we are going to conduct an alumni meet this year also . Hope this will encourage to meet with many of our graduate students after a long time as well as provides them a chance to meet each other, their former teachers and other staff members .
