DEPARTMENT OF COMPUTER SCIENCE
AND ENGINEERING

Volume 9 Issue 6

December 2021

FROM THE HODS DESK

It is my great pleasure to extend heartfelt greetings to the readers of ESPERANZA. ESPERANZA briefly provides the latest milestones and achievements of the Department of Computer Science and Engineering.

I extend a warm welcome to all the newly joined students of Computer Science and Engineering, Artificial Intelligence and Data Science, Computer Science and Design streams. Also I congratulate students of 2018-2022 Batch who got job offers from notable MNCs.

We have grown bigger and as, now we are shouldered with more responsibilities I congratulate all the Teaching and Non-Teaching Staffs who have turned up and took their responsibilities. May this unity take our Department to greater heights.

We are going to witness a NEW YEAR. May every day ahead inspire you to set new goals and achieve your dreams.

"Merry Christmas & Happy New Year!"

Dr. Jeethu V Devasia
HOD CSE

Student Induction Program	3
Departmental Program	4
Campus Placement	5

Vimal Jyothi Engineering College welcomed the budding stars to the nature blessed campus on 22.11.2020. The Welcome ceremony was arranged in Varikattu Hall. The Manager of Vimal Jyothi Engineering College Fr. James Chellamkottu spoke and he reminded them, how lucky they are to get admission in Malabar’s most prestigious institution. Our Principal Dr. Benny Joseph spoke about the academic disciplines and how students should be prepared for the next 4 years of professional studies. HOD addressed the gathering and spoke about both academic and non academic activities.

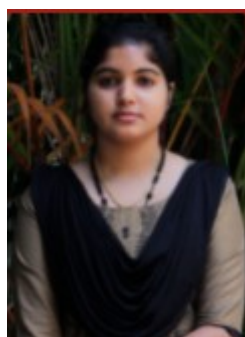

“The FUTURE Belongs To Those Who Believe In The Beauty Of Their DREAMS.”

VISION

To contribute to the society through excellence in scientific and knowledge based education utilizing the potential of computer science and engineering with a deep passion for wisdom, culture and values.

MISSION

To promote all-round growth of an individual by creating futuristic environment that fosters critical thinking, dynamism and innovation to transform them into globally competitive professionals.

To undertake collaborative projects which offer opportunities for long- term interaction with academia and industry.

To develop human potential to its fullest extent so that intellectually capable and optimistic leaders can emerge in a range of professions.

A little more sparkle, a little less stress.
