## BIMONTHLY NEWSLETTER FROM DEPARTMENT OF CIVIL ENGINEERING

Volume 10

Issue 4

June 2022

### FROM THE DESK OF THE HEAD

*Sustenance of creativity is a key element of a successful education, and a newsletter is the perfect media to showcase it. The department attempts to impart knowledge and lay ultimate focus on training the students to the highest standards. We believe that our vibrant students have been well accepted in their job profiles and have consistently stood up to the expectations of the dynamic corporate world.*

*I am quite pleased to learn about the forthcoming issue of the departmental newsletter "SRISHTI" which gives glimpses of the cumulative efforts of Department of Civil Engineering.*

*I do appreciate the editorial team for brilliantly bringing up the myriad thoughts and dreams of our students and faculties into a meaningful and delightful visual fest in this edition.*

### VISION OF THE DEPARTMENT

- ▶ To develop into a center of excellence for quality education moulding competent civil engineering professionals dedicated to the progress and development of humanity

### MISSION OF THE DEPARTMENT

- ▶ To provide quality education and training to create competent civil engineer
- ▶ To interact with industries to provide a knowledge base for existing and emerging technologies in the field of civil engineering
- ▶ To inculcate moral and ethical values among the students to mould them as civil engineers with social obligations.
