- ✚ Lumiere'23
- ✚ S2 University Toppers
- ✚ Paper Presentation
- ✚ Workshops Attended
- ✚ S3 PTA Meeting
- ✚ BIM Workshop
- ✚ Farewell

From the Desk of The Head

Dr. Biju Mathew, Dean(Exams), Professor & HOD

Department of civil engineering, VJEC

“It gives me immense pleasure to present the forthcoming issue of the departmental newsletter “SRISHTI” as a forerunner of department activities. The department strives to impart knowledge and training of the highest standards. We believe that our students have been well accepted in their job profiles and have consistently exceeded expectations of the dynamic corporate world.

I stand awed by the sheer number of contents that have come pouring in for the newsletter. This shows the positive and creative energy of faculty members and students present in the college. My sincere appreciation goes out for the editorial team for their strenuous and sincere efforts towards putting together the myriad thoughts and dreams of our students and faculties into a meaningful and delightful visual fest. Also, I invite the readers of “Srishti” for their contribution and suggestions for the further issues”.

VISION OF THE DEPARTMENT

To develop into a centre of excellence for quality education moulding competent civil engineering professionals dedicated to the progress and development of humanity.

MISSION OF THE DEPARTMENT

- ✚ To provide quality education and training to create competent civil engineer
- ✚ To interact with industries to provide a knowledge base for existing and emerging technologies in the field of civil engineering
- ✚ To inculcate moral and ethical values among the students to mould them as civil engineers with social obligations.

LUMIERE'23

Department of civil engineering conducted 16 events as part of National level tech fest LUMIERE'23 in association with TANTRA'23 on December 4, 2023. There were around 100+ registrations for workshop events

S2 UNIVERSITY TOPPERS

PAPER PRESENTATION

Dr. Biju Mathew (HOD CE) presented a paper titled "Comparison of seismic behavior of a typical multistoried building with conventional composite and steel columns supported on fixed base, base isolators and dampers" in the International Conference on Innovation, Sustainability and Applied Sciences (ICISAS 2023), Curtin University, Dubai on December 9th and 10th 2023.

WORKSHOPS ATTENDED

- ✚ Dr. Biju Mathew (HOD, CE), attended the five days of in-house training program on Building Information Modelling has been completed for the faculty members of affiliated colleges on 1st December 2023 at IIC Kollam.
- ✚ Ms. Anitta Jose (AP, CE), attended the five days Faculty Development Program on Advanced Seismic Analysis and Design by DTE from CET Thiruvananthapuram.

S3 PTA MEETING

A PTA Meeting for S3 CE (2022-26 batch) was conducted along with the General PTA meeting of S3 CE, AE, ECE, EEE and ME Batches on 20th October 2023; 1:30 pm to 3 pm. 16 parents, within the strength of 28 students, attended the meeting along with their wards. All the faculties, handling the courses in the class, attended the meeting. Dr. D Anto Sahayashas, HOD, Department of Electronics and Communication Engineering, gave the welcome address. Vice Principal Dr. Glan Devadhas addressed the gathering.

The top performers in S3 first internal examinations were honored.

BIM WORKSHOP

Department conducted workshop on Building Information Modelling on 16th November in association with BIMLABS GLOBAL at Varikkattu hall.

FAREWELL
