About the Author

Rijin I K is currently an Assistant Professor in CSE department at Vimal Jyothi Engieering College, Chemperi (rijinik@vjec.ac.in). He has completed his Bachelor's degree in Computer Science and Engineering from Cochin University of Science and Technology (CUSAT) and masters in Computer Science and Engineering from Anna University. He has to his credit industrial working experiece in leading IT MNCs and teaching experience in various professional colleges. He has published various papers in international and National Conferences. His areas of interest includes Cryptography & Network Security, Information Security, Algorithms, programming, Data structures and Graph Theory etc.

Ambili M A is a passionate teaching professional, currently working in Vimal Jyothi Engineering College, Chemperi (ambilimacse@vjec.ac.in). She has completed her Bachelor's degree in Information Technology from Cochin University of Science and Technology (CUSAT) and masters in Computer Science and Engineering from Anna University. She has published papers in various Conferences and Journals. Her areas of interest includes DBMS, Algorithms, programming, Bioinformatics and Graph Theory etc.

A TEXTBOOK ON
INFORMATICS FOR INFRASTRUCTURE MANAGEMENT

A TEXTBOOK ON
INFORMATICS FOR INFRASTRUCTURE MANAGEMENT

As per the 2019 syllabus of
Dr. A P J Abdul Kalam Technological University

INFORMATICS FOR INFRASTRUCTURE MANAGEMENT

ABOUT THE BOOK

The course contents of the first edition of the book entitled Informatics for Infrastructure Management are planned in such a way that the book covers the complete course and the curriculum requirements of Dr. A P J Abdul Kalam Technological University, Kerala. This edition has been thoroughly revised and made up to date.

SALIENT FEATURE OF THE BOOK

All the chapters have been written in such a simple and easy-to-follow language that even an average student can understand them easily by self-study.
