Industrial Visit Report

S6 ADS (2020-'24)

10/03/2023 – 12/03/2023

Prepared by,

Thripathi P Balakrishnan, AP, ADS
Shinu M M, AP, AEI

Student Coordinators:
Thaha Mohammed Yaseen
Vaisakh P

March 2023

Preface

Industrial Visit is not just about exploring new places, but it's also an opportunity to gain knowledge, broaden perspectives, and create memories that last a lifetime. This travelogue documents the experiences of a group of Sixth Semester Artificial Intelligence and Data Science students who embarked on an industrial training program organized by the APJ Abdul Kalam Technological University. The program took them on an exciting journey to Murudeshwara, Dandeli, and Gokarna - some of the most beautiful and culturally rich destinations in India.

The industrial training program was designed to provide practical exposure to the theoretical concepts learned in the classroom and give students an opportunity to interact with professionals in their respective fields. Throughout the journey, the students visited various industries, learned about new technologies, and explored the ways in which engineering students are transforming different sectors.

From the magnificent Murudeshwara temple to the serene backwaters of Dandeli and the pristine beaches of Gokarna, this travelogue captures the essence of each destination and the experiences it offered the students. Also the knowledge which they gained through industrial visit.

Acknowledgement

It gives us immense pleasure to acknowledge the invaluable contributions of various individuals and institutions in the creation of this travelogue documenting the industrial visit organized Sixth Semester Artificial Intelligence and Data Science students in **Vimal Jyoti Engineering College, Kannur** under **APJ Abdul Kalam Technological University**.

First and foremost, I express my sincere gratitude to beloved Principal, **Dr.Benny Joseph**, HOD, **Dr.Manoj.V.Thomas** and faculty advisors, **Ms.Thripathi P Balakrishnan & Ms.Namitha P** for permitting us for this industrial visit. Also, special thanks to the accompanying faculty, **Mr.Shinu M M** (Assistant Professor, AEI), **Ms.Thripathi P Balakrishnan** (Assistant Professor, ADS) & parent representative, **Mrs.Minimol.O.C**. Their commitment to the students' learning was unwavering, and they ensured that the program was conducted smoothly.

We would like to extend our heartfelt thanks to all the professionals and industry experts at **Zephyr Technologies & Solutions, Mangalore** and **Blueline Computers, Mangalore** who took the time to interact with the students and share their knowledge and expertise. Their insights, experiences, and practical examples have enriched the students' understanding of the real-world application of the concepts they learned in the classroom.

Special thanks to the students who actively participated in the program, showing enthusiasm, curiosity, and a willingness to learn. Their experiences and observations have been captured in this travelogue, and their efforts have made it a valuable resource for future generations of students.

Lastly, we would like to acknowledge the efforts of all those who have contributed to the creation of this travelogue, including the **Vimal Jyoti Publications**.

PERMISSION GRANT LETTER FOR INDUSTRIAL VISIT TOUR

To,

Vimal Jyothi Engineering College
Chempur, Kerala

Reg : Permission Grant Letter for Industrial Visit Tour at Blueline Computers Mangalore

Dear Concerned,

As per your request to conduct an Industrial Visit in our Organisation, we hereby confirm that 27 students accompanied by 3 faculties will be given an opportunity to interact with our Developers and take part in the Industrial Visit Tour which is likely to be scheduled on 10th March, 2023. All students participating in this Industrial Visit Tour will be granted a Certificate from our Organisation along with a session on "How to Build a Career as a Mobile App Developer".

We look forward to meeting you all.

Many Thanks,

Shaan SK

PART B

(Industrial Visit Report)

Introduction

Industrial visits are an integral part of Engineering and acknowledgment of technology upgrades and is part of the curriculum. The purpose of industrial visits for students is to provide technical knowledge about the technological development in the industry and to understand the gap between theoretical and practical knowledge that could be passed in the future. This experience can help students provide information regarding various industries' functioning and associated problems and limitations.

The visit was organized with the prior permission and guidance of our **Principal, Dr. Benny Joseph, HOD, Dr. Manoj V Thomas, and Faculty Advisors, Ms. Thripathi P Balakrishnan & Ms. Namitha P.** The industrial visit of S6 ADS (2020-24 Batch) was scheduled from 10th March to 12th March 2023. The 27 students were accompanied by **Mr. Shinu M M** (Assistant Professor, AEI), **Ms. Thripathi P Balakrishnan** (Assistant Professor, ADS) along with a parent representative, **Mrs. Minimol O C** (Mother of Ann Riya Jaison(S6 ADS student)). The three destinations during the industrial visit were Murdeshwar, Dandeli & Gokharanam.

On 08/03/2023, an online meeting was conducted in which all students(who are going for IV) along with parents, the Principal, HOD, Faculty Advisors, and the accompanying staff. The schedule was explained and the concerns of parents were addressed. The travel destination photos, Contact numbers of accompanying staff and parents, Bus details, schedule, etc were shared with the parents.

Before the start of the journey, a meeting with the students who are going for the industrial visit along with the accompanying faculty was conducted on 09/03.2023 at 11.30 am in the AEI Department Library and general instructions which all students must follow were given such as to avoid allergic and unhygienic food, avoid risky water games, bring personal medicines (if required), don't use psychotropic substances, avoid costly jewelry items, etc. As the plan was to start by 4.00 AM on 10/03/2023 from the college, it was instructed to reach the college by 3.45 AM. Also informed that accompanying staff has the right to cancel the trip if any violation of the instructions given.

On receiving the permission letters from the two industries **Zephyr Technologies, Mangalore**, and **Blueline computers, Mangalore**, we started our journey on 10/03/2023.

List of students:

2	Blueline Computers	Blueline Computers 3rd Floor, Brahma Samaja Building Near Navabharath Circle Mangaluru - 575003 mail@bluelinecomputers.co.in

Schedule of visit

Starting Place: Vimal Jyothi Engineering College, Chemperi

Destination: Murudeswaram, Dandeli, and Gokarnam.

Day 1 (10/03/2023)

The journey started at 4.15 AM from college on bus **Online Holidays(KL 13 AA 8100)** with 20 students, accompanying faculty, and a parent representative. 2 students boarded from Thaliparamba and 5 students from Payyanur. We reached Mangalore and had breakfast at 8.30 AM. Then visited Someshwara beach located in Ullal in the city of Mangalore, Someshwara Beach is a quaint hidden gem of the city. Boasting shimmering golden sands, a long and beautiful coastline, the beach is also peppered with rock boulders called Rudra Shile, making it unique from its other counterparts in the city.

After that, we visited the first industry, **Blueline Computers, Mangaluru** by 11.00 AM. **Blueline Computers** is a web designing as well as mobile application development consultancy. They provided us with a session on mobile application development using Flutter. Also gave an introduction to the services provided by them.

We reached the second industry **Zephyr Technologies & Solutions, Mangaluru** by 12.00 PM. **Zephyr Technologies & Solutions** is a software consultancy that provides services such as web designing, application development, graphic designing, branding, etc. They gave us an introduction to web development, application development, how they started the company, and the job opportunities as Data Scientists.

After that, we had lunch at Manglarur by 1.30 AM. We resumed the journey by 2.30 PM to the next destination, Murudeswaram. We reached Murudeswaram by 4.30 PM. Murudeshwar is home to the second tallest statue of Lord Shiva (123 ft) in the world. With the shimmering Arabian Sea on three sides and the magnificent Western Ghats imposing their presence on this town. The sunset view at Murudeswar was amazing. We spend there at the temple and nearby beach till 8.00 PM.

By 8.00 PM, we checked into a lodge for fresh up. By 9.30 PM we had dinner and returned back to the lodge.

Day 2 (11/03/2023)

By 2.00 AM we started our journey to Dandeli. And checked in at Jungle Bell Resort, Dandeli by 7.00 AM. After fresh up, we had breakfast at 9.00 AM.

Then we went for river activities in Dandeli which is an adventure destination in India. It offered us a lot of adventure activities like river rafting in Kali river, kayaking, boating, and natural Jacuzzi. Even though it was adventurous, the security measures provided them were notable. It was actually a very interesting destination.

And by half past twelve we return back to the resort and went to the swimming pool located inside our resort after an hour we had our lunch. After having our lunch we went to our room to fresh up. Then we went for trekking in the forest which is near a park, Jungle trekking is an adventurous journey along the thick Dandeli forests where visitors can explore nature, wildlife & birds. This is really an adventurous activity in Dandeli Forest, usually undertaken by young tourists. Trekking is one of the top things to do in Dandeli. We also went for go-karting located near our resort after completing the trekking.

After completing all activities we returned back to our resort by half past six. By 7pm the resort organized a rain dance inside the resort for half an hour.

Then we all went to fresh up and came back to the canteen by one hour to have our dinner. After dinner, we played some indoor games like carroms, archery, etc. Then by 10pm, the resort management set a camp fire for us inside the resort. We played some games and the session went until 12pm. Then we went to the bed as we have to leave the resort at 6am to reach our next destiny which was Om Beach.

Day 3 (12/03/2023)

We had a light breakfast from the resort and then checked out from Jungle Bell Resort, Dandeli by 7.00 AM and started the journey to Gokarna. By reaching Gokarna at 9.30 AM we had breakfast at a restaurant located in between Om beach and Mirjan fort. Then after having breakfast, we started traveling to Om beach which was 8 km far from the restaurant. After 30 minutes of traveling we reached our destination, Om beach. Om Beach is a major tourist attraction in the coastal city of Gokarna, located in the North Canara district. One of the most acclaimed beaches in the country, Om Beach takes the shape of an 'Om', a Hindu spiritual symbol. In the shape of two crescents joined together to form an Om, the beach offers a breathtaking view of the sunset. The long stretch of white sandy beach adjoining the rocky terrain appeals to travelers from around the world. We spent 2 hours there by taking photos and admiring the beauty of the beach.

By 1 pm we came back to the same restaurant from where we had breakfast to eat lunch we had chicken biriyani and vegetable biriyani for lunch. After having lunch we started traveling to Mirjan Fort located 15km from the restaurant and we reached there by 3 pm. Located on the banks of the Aganashini River, a tributary of the Sharavathi River, the Mirjan Fort is known for its architectural elegance and is one of the must include places in Gokarna Tour Packages.

Built over an area of about 10 acres, the fort is approached through a series of wide steps that lead to the interiors of the fort. It is a double-walled fort built using laterite stones and has high walls and bastions with high turrets. The fort has four entrances and is surrounded by a moat with interconnected wells.

During travel by bus also we all enjoyed ourselves very well by dancing and singing. On the way back we sang songs and dedicated them to everyone on the bus. It was very funny. By 5 pm we head back to the college which was a long journey of 8 hours. We reached Uppala by 10 and we had our dinner at an Arabian Mexico Restaurant. At Payyannur, 2 students and a parent representative were dropped and at Thaliparambu 5 students were dropped. Bus arrived at the college by 1.30 AM.

We are very thankful for our beloved Principal, **Dr.Benny Joseph**, HOD, **Dr.Manoj.V.Thomas** and faculty advisors, **Ms.Thripathi P Balakrishnan** & **Ms.Namitha P** for permitting us for this industrial visit. Also, special thanks to the accompanying faculty, **Mr.Shinu M M** (Assistant Professor, AEI), **Ms.Thripathi P Balakrishnan** (Assistant Professor, ADS) & parent representative, **Mrs.Minimol.O.C**. These three days will be one of the golden memories in our life at VJEC.

-----Thankyou-----
