DEPARTMENT OF MECHANICAL ENGINEERING
VIMAL JYOTHI ENGINEERING COLLEGE, CHEMPERI

5 DAY BOOT CAMP 24th to 28th June 2019

Dear student/parent,

To provide the newly joined budding engineers of Vimal Jyothi awareness about engineering science and the importance of Mechanical Engineering in daily life and its career opportunities, a 5 day camp on engineering studies, awareness and simplified and enjoyable learning is organized by the Mechanical Engineering Dept. of Vimal Jyothi Engineering College.

The camp starts from 24th June and ends at June 28th and we ensures that this will truly be a path deciding and extremely beneficial to your ward. Kindly request your ward to not miss this opportunity because it can truly help him in building a strong foundation of the engineering ideas.

Day wise details of the camp are listed below:

Day-1 :

Welcome address and introduction to Mechanical Engineering Branch by Retd. Cdr. Raju KK, Head Of Deartment, Mechanical

Robo World

An introduction to robotics and the importance of robotics and artificial intelligence in Mechanical Engineering branch.

Mr. Suinil Paul (Assistant Professor, Mechanical)

Day – 2:

Robo Arena

Learn building robots yourself in a simplified way.

Students will also be given opportunity to practice for robo racing event with hands on tryout of robo racing cars, which is one of the major events held at all leading IIT's and NIT's nationally.

Mr. Suinil Paul (Assistant Professor, Mechanical)

Day-3:

Industrial Trip

Let's get to know each other, travel together and learn together visiting to RUBCO the leading rub-wood manufactures of Kerala and learn practical and applied Mechanical Engineering.

A one day industrial field trip provided to students by the college.

Mr. Shamin Muth KK, Mr. Aji Augustine & Mr. Lince Thomas (Assistant Professors, Mechanical)

Day-4:

3D Engineering Modeling and 3D Printing

Let's print 3D...!! Yes learn how you can actually print a model in 3D. Learn how to create and print real 3D models and prototypes in this session.

Mr. Lince Thomas (Assistant Professor, Mechanical)

Day-5:

Learn the nature

A one day field trip to Paithal Mala Hill Station to understand the nature and importance of natural resources and learning the concept of sustainable engineering.

Mr. Shamin Muth KK, Mr. Aji Augustine & Mr. Lince Thomas (Assistant Professors, Mechanical)

Attn. S6 Students,

Greetings from Training and Placement Cell !!!

In association with FACE Academy we have arranged 66 hours of Online Placement Training to prepare you for Campus Recruitments. The training will include 18 hours for Aptitude + 42 hours for programming fundamentals + 6 hours for Soft skills. The training content will be accessed to all students 24X7 basis and it is a self paced learning model which includes pre-recorded video sessions and assessment tests after each module to check your understanding.

As part of this, we have scheduled a webinar for all S6 students tomorrow (10/04/2020) at 03.15 PM. The course content and all other relevant details will be briefed during the webinar.

Please follow the following steps.

1. Register in the link: <https://bit.ly/FACE-VJEC-F360>
2. You will receive an invitation email with a link "Join Webinar"
3. Click on the "Join Webinar" link at 03.15 PM tomorrow

It is advised to complete the registration process by today itself. If you have any difficulty, please let me know.

● **The Online Placement training will start from Tuesday, 14th April 2020.**

Note: TPC as well as S6 tutors will be monitoring the progress on a weekly basis. **It is mandatory to attend the webinar and Online Placement Training.**

Thank you.

Regards,

FACE 360 Capsule Progress – Executive Summary

College Name: Vimal Jyothi Engineering College, Chemperi, Kannur

Introduction to the report–

This report provides a snapshot of the learning progress of students on the FACE 360 Capsule provided to them on the FACE Prep platform.

This report is prepared by the FACE Prep Support team. For any queries, they may be reached at faceprepcampus@focusacademy.in.

How is the learning progress calculated?

Each lesson comes with a cut-off score, which students are expected to clear. The learning completion is calculated based on students achieving the cut-off score in all lessons. In most lessons, the cut-off score is 100%.

Some students might have kickstarted learning, but would not have attained the cut off score to be considered for completion of a lesson.

Course structure –

The course is structured into 11 different stages. The stages are unlocked in phases, for the students, thereby setting them a learning target. The learning duration in each stage is 6 hours.

Stage #	What's covered?
1	Fundamentals of Programming – C++
2	
3	
4	
5	
6	
7	
8	Aptitude
9	
10	
11	Recruitment Essentials
