UNNAT BHARAT ABHIYAN

List of Activities:

ACTIVITY 1: Village women economic empowerment through low cost IoT Based Hatchery Unit distribution.
(NSS & UNNAT BHARAT ABHIYAN)

Title of the Activity: A helping hand for rural women

Need of the Activity:

The major source of income of villagers is either farming or business related to agricultural products. The COVID-19 pandemic made a drastic drain in the economic status of the villagers. This proposal aimed to support the village women for finding a revenue through poultry farming. This low-cost incubator is capable of producing 100 chicks from a single unit and will be able to make an income of upto 30000 per month.

Brief Description

Each unit is capable of holding 100 eggs (at a survival rate of 90%). The total cost for this is EGG - 5 per unit, electricity bill of 100 Rs for 63 days. They can market chicken meat (130/kg), egg (7 Rs per unit), or chicks (30 Rs per chick). On an average 30000 Rs can be expected from a single unit. 13 unit is distributed to each kudubasree JDS of 13 blocks one each.

Meeting at panchayat hall, during Hatchery unit distribution. On the Stage, Panchayath President Smt. Tessy Immanuel, Vice President Mr. Madhu Thottiyil, College Bursal Fr, Lasser Varambhakath, PRO. Sebastian Puthanpura, UBA Coordinator Ms. Vidya SS

ACTIVITY 2:

(Academic year -2022-2023)

Title of the Activity: Independence Day Celebration (NSS & UNNAT BHARAT ABHIYAN)

Need of the Activity: Independence Day reminds every Indian about the dawn of a new beginning, the beginning of an era of deliverance from the clutches of British colonialism of more than 200 years. So, it is the responsibility of every Indian to disseminate the importance and sacrifices of freedom fighters among the young generation around us.

Brief Description

We celebrated Azadi Ka Amrit Mahotsav with the villagers by distributing National Flag to the villagers to fly the tri color in their houses. The Occasion was marked with a Special Gram Sabha Where-in the Panchayath president, Ward members, Panchayath Officials, the college authorities and village representatives were present.

Title of the Activity: Pen booths assembling and distribution (UNNAT BHARAT ABHIYAN)

Need of the Activity:

Most of us use ball pens and just throw them out after use or sometimes in the middle if we can't write smoothly with them. The problem is its disposable nature because of its cheap price. Plastic pens are a part of the throw-away culture that we have been developing unknowingly over the last several years. About hundreds of Billion pens find their way to landfills or water bodies every year, causing environmental pollution.

Brief Description (Need/Impact/Action/Picture (if any)):

We took the initiative to place pen booths in every class room to collect these unused pens instead of throwing them on the campus.

Need of the Activity: We use the procedure to test the body temperature of the students/ people as a screening test for COVID- 19. One method to measure a person's surface temperature is the use of "no-touch" or non-contact temperature assessment devices.

Brief Description (Need/Impact/Action/Picture (if any)):

We developed a low cost IoT based device to measure the temperature and record the same in the cloud. This can be installed in the schools/ hospitals in the villages to avoid direct human intervention from the temperature screening process.
