UNIT APPRECIATION - 2019-20

Dr. Sridharan P
Prof & Project Guide
Vimal Jyothi Engg College

Appreciation: Remote Mine Carrier

Dear Prof,

1. This is to appraise you that the efforts by undermentioned students of your college in design and fabrication of "Remote Mine Carrier" are impressive and commendable:

- Narayana Prasad VE : S8 Mechanical
- Harishankar MV : S8 Mechanical
- Alan Sebastian : S8 Mechanical
- Rithun Hari P : S8 Mechanical

2. The group was eager and motivated throughout the process and have been very professional in their approach and behaviour. The students could quickly grasp the concept and were very prompt in reverting back with periodic feedbacks and queries.

3. The final outcome have turned out to be as expected. The equipment is currently under trial at unit level and shall be showcased to various dignitaries and inspection teams in days to come. The innovation/ modification by the team for M 18 Claymore service mine have received ample appreciation from the environment.

4. I would like to congratulate the team for their outstanding efforts and the college and its faculty for their tutelage and grooming.

I would like to take this opportunity to urge you to motivate more such students to work on projects which can aid our Armed Forces...

Warm Regards...
