CHARITY PILGRIMS ACTIVITY REPORTS

(JULY 2018- JULY 2019)

1.Charity pilgrim 2019

CHARITY PILGRIM

Vimal Jyothi is having the custom of conducting a community oriented programme right from the year 2007 named CHARITY PILGRIM. The ultimate aim behind the event is to inculcate sharing mind among upcoming engineers towards the socially, mentally & physically challenged people lives around our society. This programme is conducting every year in the month of December, as it is the month of pilgrimages to the Holy places to all people in kerala belongs to various religions. Every year we used to visit the following places along with our first year BTech students accompanied by their Class tutors, HODs, Teachers,PTA representatives & Management representatives with rice and required grocery items for their daily food. Also we extend our one day physical service to the place where we visit.

CHARITY PILGRIM 2018-19 conducted on 21/01/2019

IEEE ACTIVITY REPORTS (JULY 2018-JUNE 2019)

6.DIGITAL LITERACY PROGRAM FOR WOMEN

Date : 9TH JANUARY 2019

Title : DIGITAL LITERACY PROGRAM FOR WOMEN

Description: The IEEE IAS VJEC SB in association with PELS SB VJEC conducted a DIGITAL LITERACY PROGRAM FOR WOMEN. The

program began by 10 am. A digital literacy for women of Kudumbasree, Eruvessi were given an opportunity to learn about the basics of computer and mobile phones. For this the selected volunteers were called and they gave them a practical session on how to use the computers. They were very much interested to know more about computers, phones and its uses. We received a positive feedback from the from the Kudumbasree workers. We taught them how to open the computers and learn how to access its features. The awareness class also included net banking, KSEB bill payment through online process etc. We also gave them an idea on how to operate mobile phone and on how they can go for videos in YouTube .All were very much supportive and the volunteers cooperated well. This session gave us a motivation to conduct more programs of this kind which would encourage them and we all had a great time being with them. The session was very well organized and cooperated by all. They were enlightened and happy with the session. The session came to an end by 2:00pm.

There were 29 volunteers and 35 participants from Kudumbashree.

given by Jinu Vdakkemulanjinal, Administrator, VJ Group of institutions which was followed by Sebastian Puthanpuraikkal, PRO Vimal Jyothi engineering college. And finally the vote of thanks was delivered by Mr.Prabin James, Staff advisor IEEE PELS SBC VJEC. The next session was handled by Dr.Vassilios G Algedis, Professor technical university of denmark.He started his DLP Based on the topic “Large-Scale Solar PV Electricity Grid Integration: Technologies, Issues, Market Integration and Impact”. He taught about importance of solar power plant,implementation and also the basics of solar panels and their working. The three main points or 3 important factors we need to follow in our life is ‘Networking’, ‘Ask questions’, and ‘never give up’. So throughout the talk he motivates us ask questions session was truly good and helpful. Also he explains the IEEEPELS society advantages to all students. After the DLP talk he visits the 50 KW solar plant in VimalJyothi engineering college.
