Koha Library Software

The world's popular, free and open source library system

The screenshot shows the Koha Library Software homepage. At the top is a green header with the Koha logo and a navigation menu. The main content area features the title 'Koha Library Software' and the tagline 'The world's first free and open source library system'. Below this is a paragraph describing Koha as a fully featured, scalable library management system. A 'Try it now' button is present. To the right, there are images of a laptop and a smartphone displaying the Koha interface. At the bottom right, there is a large group photo of people and a watermark for 'SAK Software Windows'.

Koha Library Software

The world's first free and open source library system

Koha is a fully featured, scalable library management system. Development is sponsored by libraries of varying types and sizes, volunteers, and support companies worldwide.
