#### 1. AREA AND SCOPE OF COOPERATION

The purpose of this MoU is to formally express the mutual wish of SRISHTI ROBOTICS and VIMAL JYOTHI ENGINEERING COLLEGE to engage in academia-industry collaboration by associating in student skill development program. This is a legally non-binding agreement, which outlines an intention to promote collaboration between the above-mentioned institutions. This document would be followed by an agreement in the future, specifying the areas of collaboration and sharing which will have legal binding.

Generally speaking, and within the limits of the financial means of each institution, the cooperation will include the following:

1. Sharing of details of our upskilling programs to students.
2. Facilitate academic and course related interactions among employees of both Institutes.
3. Additional Industrial Training & Internship programs for students who are recommended by college.
4. Any other activity of common interest suggested by either of the two parties.

Nothing in this Memorandum is intended to or shall be deemed to establish an exclusive relationship between the parties or to restrict any activities that either party would otherwise be able to undertake. Nothing in this Memorandum is intended to or shall be deemed to establish any partnership or joint venture between the parties or constitute any activity that either party would otherwise be able to undertake.
