Attn. S6/S7 Students,

A resume is your personal marketing brochure with the goal of gaining the employer's attention and to giving them the information they need to bring you to the next step in the hiring process, an interview. A well written and formatted resume tells the employer a lot about your professionalism, and improves the chances for receiving an interview.

Keeping the above points in mind, I request all S6/S7 students to prepare and submit your resume. The schedule is given below:

Submit resumes to respective tutors: **July 31, 2019**Review by tutors and giving corrections: **August 7, 2019**Students to submit finalized resumes to TPC: **August 9, 2019**

The maximum recommended size is 2 pages. I have attached a few good sample resumes for your reference. You may also refer the templates available in the internet.

Note: Kindly send a **PDF** version of your resume to tpc@vjec.ac.in

Thanking you.

Dear Students,

Greetings from Training and Placement Cell !!!

 informed earlier, we will be conducting AI Enabled Mock Technical & HR Interview sessions for all the registered students (list attached) tomorrow (26/Feb/2022) in association with GoPrac <https://goprac.com/>. Students attending the session will get individual reports suggesting the areas for improvement.

The Time and Meeting Link for individual students will be sent to the students registered email address on or before EOD today. All students should attend Mock Interview with proper dress code in video mode and must join 5 minutes before the scheduled time slot in the meeting link.

Syllabus for Mock Interview: C, C++, SQL and Data Structures

Mock Interview Duration: 30-45 Minutes

Prepare well for the mock interview as per the syllabus and adhere to the instructions specified.

This initiative is keeping in mind that most of the interviews are happening in the virtual mode at present owing to Covid-19 pandemic. Hence all the students are requested to make use of this golden opportunity. Attendance is mandatory for registered students.

Dear Justine Sir,

For the employability test being conducted at VJEC on the 26th Feb 2022, we had split the 195 registered students into two phases as per below schedule:

Phase 1: 100 students – Interview time from 6:00AM to 12:00PM

Phase 2: 95 students - Interview time from 12:00PM to 6:00PM

So far, from phase one we see only 8 students have participated in the test. Request you to urge students to participate, to receive the feedback from industry and understand their employability status.

Please feel free to reach out should you need any further assistance from our side. Thank you.

Thanks & Regards,

Attn. S6 Students,

A resume is your personal marketing brochure with the goal of gaining the employer's attention and to giving them the information they need to bring you to the next step in the hiring process, an interview. A well written and formatted resume tells the employer a lot about your professionalism, and improves the chances for receiving an interview.

Keeping the above points in mind, I request all S6 students to prepare and submit your resume to tpc@vjec.ac.in. The schedule is given below:

Submit preliminary draft (PDF) to TPC: **July 20, 2021**

Reviewing the submitted resumes and giving corrections: **July 27, 2021**

Students to submit finalized resumes (PDF) to TPC: **July 30, 2021**

The maximum recommended size is 2 pages. **You may refer to a few good templates available on the internet.**

Note: TPC will only accept a soft copy of the resume (PDF File). The subject should be the PRN number of the student while sending the resume.

Thank you.

Regards,

Dear All,

A gentle reminder about the **Date with an Industry** program at Varickattu Hall at 2.00 PM today.

The resource person has changed due to some personal inconvenience to Mr. Noufal. The product Trainer Mr. Sunoj K. George will handle the session instead of him.

The revised poster is given below (also attached) for your reference.

The poster is a dark-themed announcement for a 'Date with an Industry' event. It features the logos of the Kerala Knowledge Economy Mission and Vimal Jyothi Engineering College at the top. The main title 'DATE WITH AN INDUSTRY' is in large, bold, white letters. Below this, the venue 'VARICKATTU HALL' and date '22nd February 2023' are listed, along with the time '2.00 PM to 4.00 PM'. A circular portrait of Sunoj K. George, the product trainer, is on the left. His name and title are prominently displayed in a white box, with 'ABC Mercantile Group India Private Ltd.' mentioned below. The overall design is professional and clear.

Please send the final year students for this program.

Thank you.

Regards,

Justine M Augustine

Attn. Final year Students,

Please attend the Seminar planned at 11.00 AM tomorrow in association with Kerala Knowledge Economy Mission.

Date: 24th March 2023 (Friday)

Time: 11.00 AM

Venue: Varickattu Hall

The poster features the Vimal Jyothi Institutions logo at the top left. The main title is "Orientation Session on DWMS Portal & Talent Curation". To the right is a circular portrait of Sujesh Das, labeled "Resource Person". Below the title, it says "In association with Placement Cell & Kerala Knowledge Economy Mission" with the KKM logo. At the bottom, it provides the date, time, and venue: "Date: 24.03.2023 | Time: 11.00 AM to 12.00 Noon | Venue: Varickattu Hall". A note at the very bottom states "All final year students are requested to attend."

Thank you.

Offering LinkedIn Career Kickstarter Program (Phase 3) to the students from Class of 2024, 2025 & 2026 | Vimal Jyothi Engineering College, Chemperi

Dear Sir,

Greetings from FACEPrep!

As you might be aware, we have been working with LinkedIn, the world's largest professional networking platform to help students leverage LinkedIn in their career-building while at college. As a part of this **#LinkedInCareerKickstarter** program, we offer their LinkedIn Premium services to the students of our partner institutions completely free of cost.

We had successfully completed Phase 1 and Phase 2 of this initiative and helped 2,00,000 Students use LinkedIn for their academic and professional goals.

There has been an overwhelming response from the FACE Partnered colleges and universities during the Phase 1 and Phase 2 execution. Unfortunately, there were certain institutions that were not able to take up the workshop due to constraints around the academic calendar. We presented this case to LinkedIn and they agreed to extend this service to the third phase with another 1,00,000 coupons.

While **LinkedIn Premium** services offer a host of benefits to students, We see **three major areas** through which the students can directly realize the value

- **Learning:** Students can learn from a bouquet of courses across domains in Technology, Skills & Certifications
- **Professional Networking:** Students would be able to directly connect with recruiters/industry leaders for mentorship and guidance through InMail credit
- **Land Internships:** LinkedIn has been a great platform to network and land jobs and internships

We will also additionally do a **free Career Kickstarter Program** for your students on how to leverage LinkedIn for building their skillsets & careers.

Based on our previous experience this time we would want to prebook the slots to ensure smooth delivery at the time of training.

Please find below the student's onboarding process.

- Step 1: You confirm your interest with the interested student's list in the attached format
- Step 2: You confirm dates for my team to come down to your institution and do the free 1-hour workshop on how to leverage and use LinkedIn. The sessions will be conducted in computer labs. One trainer will be able to handle 6 batches throughout the day. Trainers/Number of days will be decided based on the total number of students
- Step 3: If you are not able to give us the final dates, we request you to provide us with tentative dates on which we can do this onboarding. The students are to be onboarded before 15th March 2023.
- Step 4: Students will be onboarded on given an orientation on how to access LinkedIn and LinkedIn Learning

We have already booked 91,000 coupons from 73 Colleges across India. We have another 9,000 slots open to be offered and we would like the students of your institution to benefit from this.

I kindly request you to reply to this email with the tentative dates for the program at the earliest to avail of these free

services for your students.

I have attached the database template for your reference.

Looking forward to hearing from you soon.

Dear Kavi Priya,

Greetings from Vimal Jyothi Engineering College!!!

As discussed, we can conduct the **#LinkedInCareerKickstarter** Orientation program on our campus on **16th March 2023 (Thursday)**.

The student data of 1st year, 2nd year and 3rd year students are attached herewith. Please send them an email and request to register prior to the Orientation program. As per our college policy, students are not allowed to carry mobile phones inside the classrooms.

Please plan a **30 minutes session** in each class. We may not be able to allocate more time due to a tight academic schedule. Hope you understand.

Thank you.

Regards,

Dear Sir,

Greetings of the day!

Thanks for sharing the details. I am sharing the procedure to activate LinkedIn Premium.

Kindly share the instructions with the students and make them complete the activation process by today's EOD. The entire procedure takes a maximum of 10 to 15 minutes.

Looking forward to making a positive impact on the students of your institution.

Just Simple 3 steps for activating your premium account: 📄

Step 1:

Check your email.

You would have received an email from linkedin@faceprep.in or linkedin@focusacademy.in

Subject line: Link to Redeem (Check Spam and Promotions if it is not in inbox)

Step 2:

Click the URL given

Step 3:

You can find Activate offer option on your LinkedIn page.

Note :

Make sure your LinkedIn account is logged in on the device before you start these steps. If you don't have a LinkedIn account, create a new account and activate the premium

Thanks & Regards,

Dear Students,

A resume is your personal marketing brochure with the goal of gaining the employer's attention and to giving them the information they need to bring you to the next step in the hiring process, an interview. A well written and formatted resume tells the employer a lot about your professionalism, and improves the chances for receiving an interview.

Keeping the above points in mind, I request all S6 students to prepare and submit your resume to tpc@vjec.ac.in. The schedule is given below:

Submit preliminary draft (PDF) to TPC: **July 15, 2022**

Reviewing the submitted resumes and giving corrections: **July 25, 2022**

Students to submit finalized resumes (PDF) to TPC: **July 30, 2022**

The maximum recommended size is 2 pages. **You may refer to a few good templates available on the internet.**

A few sample resumes prepared by your senior students are attached to this email for your reference. You are requested to use this only for your reference. Please prepare and submit a unique resume of yours.

Note: TPC will only accept a soft copy of the resume (PDF File). The subject should be the PRN number of the student while sending the resume.

Thank you.

Regards,
