## EXTERNAL EXAMINATION PROCESS

- The external examination is conducted by APJ Abdul Kalam Technological University. The question paper setting, Valuation of answer scripts, and time-bounded declaration of results is effectively done by the University.
- The teachers of the college are assigned to perform invigilation duties in a teacher-student ratio of 1:30. The chief superintendent (Principal) and additional chief superintendent (a senior faculty of the College) supervise the entire examination process.
- The University deposes an examination inspection squad for restricting malpractice during examinations. In case of any malpractices, they should be reported to the university in the prescribed format.
- The teachers attend the centralized valuation camps at various centres. The results are declared through the university portal.
- The students are given opportunities for revaluation, scrutiny of answer scripts and issuing photocopy of answer scripts in case of any grievance.
