## **ABOUT THE INSTITUTION**

Vimal Jyothi Engineering College (VJEC) is an educational project of the Archdiocese of Thalassery established in the year 2002 and is managed by Meshar Diocesan Educational Trust. The college is approved by AICTE and affiliated to APJ Abdul Kalam Technological University (KTU). VJEC is a self-financing catholic minority institution aiming at generating a fervor for Engineering and Technology in students. Here we inspire, nurture and foster them to realize their career potential in the field of Engineering and Technology. With profound insight into the resource requirements of the higher education system, VJEC has proudly set up world-class infrastructure complemented with intellectual capital in the form of competent faculty. Many of the facilities are way beyond the regulatory requirements aiming for learning beyond the syllabus to address the requirements of the industry. These material facilities along with value addition programs and student support systems are the integral facets of empowerment at VJEC.

Digital library, industry supported project labs, language lab, and student chapters of professional bodies such as IEEE, ISOI, IETE, SAE, CSI offer an extensive range of resources, opportunities and services to the outcome based teaching learning process. Effective implementation of quality control processes ensure Engineering graduates with the expected level of knowledge, skill and attitude.

## **DEPARTMENT OF MECHANICAL ENGINEERING**

The Mechanical Engineering Department was established in the year 2004. The Department offers students the

opportunity to pursue an exceptional, high quality education. Our 468 students (420 Under Graduate and 48 Post Graduate) learn in a thriving and dynamic environment emphasizing solid academics and sound hands-on skills. Department is one of the largest in terms of faculty, students, & activities and continues to lead and expand its activities in various directions. The Department has a distinguished faculty, dedicated staff and superb student body that effectively work together to fulfill our academic mission. The faculty members are drawn from the industry and academicians to enhance the delivery of academic programmes. Our faculty members strive to provide outstanding teaching, cutting-edge research, effective mentoring of students, active improvement of curricular programs and effective leadership in professional societies.

The academic activities are supported by seven well equipped laboratories/research centres. Experimental and computational facilities are being continuously upgraded. Industry interaction has been increased with formation Entrepreneurship Development Club. A Robotic Research Centre for the research in Robotics Technology, was inaugurated in 2010 and the department boasts one of the best equipped CAD-CAM centre in Kerala. The Department of Mechanical Engineering at Vimal Jyothi Engineering College is committed to excellence in its teaching and research. The major research

efforts are in Robotics, CFD, renewable energy and heat shielding materials for space applications.

### **ABOUT NATIONAL SCIENCE & TECHNOLOGY ENTREPRENEURSHIP DEVELOPMENT BOARD (NSTEDB)**

NSTEDB, established in 1982 by the Government of India under the aegis of DST, is an institutional mechanism to promote knowledge driven and technology intensive enterprises. The Board, having representations from socio-economic and scientific Ministries/Departments, aims to convert "job-seekers" into "job-generators" through Science & Technology (S&T) interventions.

### **ABOUT ENTREPRENEURSHIP DEVELOPMENT INSTITUTE OF INDIA (EDI)**

EDI, an autonomous body and not-for-profit institution, set up in 1983, is sponsored by Apex Financial Institutions, namely the IDBI Bank Ltd., IFCI Ltd., ICICI Ltd., and State Bank of India. The Institute is registered under the Societies Registration Act 1860 and the Public Trust Act 1950.
