**We may achieve climate, but weather is thrust upon us.**

- O. Henry

**William Sydney Porter** (11 September 1862 – 05 June 1910), known by his pen name **O. Henry**, was an American short story writer. His stories are known for their **surprise endings**. Porter used a number of pen names (including "O. Henry" or "Olivier Henry") in the early part of his writing career; other names included **S.H. Peters**, **James L. Bliss**, **T.B. Dowd** and **Howard Clark**. Nevertheless, the name "O. Henry" seemed to get the most attention from editors and the public and was used exclusively by Porter for his writing by about 1902.

**Cabbages and Kings** was his first collection of stories, followed by **The Four Million**. He had an obvious affection for New York city, which he called "**Bagdad-on-the-Subway**", and many of his stories are set there, while others are set in small towns or in other cities. His final work was "**Dream**", a short story intended for the magazine **The Cosmopolitan** but left incomplete at the time of his death.

Among his most famous stories are: **The Gift of the Magi**, **The Ransom of red Chief**, **The Cop and the Anthem**, **A Retrieved Reformation**, **The Duplicity of Hargraves**, **The Caballero's Way**, a short story **The Last Leaf** and much more.

### Student Office Bearers
